Applicable To Merchant Boarded With Vantiv As Acquirer (US only)

This MERCHANT SERVICES AGREEMENT FOR SUB-MERCHANTS (“Agreement”) is made among VANTIV, LLC, having its principal office at 8500 Governors Hill Drive, Symmes Township, OH 45249-1384 and its designated Acquirer Member Bank (collectively “Acquirer”) and BlueSnap Merchant (“Sub-merchant”) in connection with the agreement between Sub-merchant and Bluesnap, Inc. (“Provider”).

Acquirer will provide Sub-merchant with certain payment processing services (“Services”) in accordance with the terms of this Agreement. In consideration of Sub-merchant’s receipt of credit or debit card funded payments, and participation in programs affiliated with MasterCard International Inc. (“MasterCard”), VISA U.S.A. Inc. (“VISA”), Discover (“Discover”), and certain similar entities (collectively, “Associations”), Sub-merchant is required to comply with the Operating Regulations (defined below) as they pertain to applicable credit and debit card payments. In addition, if Sub-merchant meets certain requirements under the Operating Regulations or an Association or the Operating Regulations otherwise require, Sub-merchant may be required to enter into a direct relationship with an entity that is a member of the Associations. By executing this Agreement, Sub-merchant has fulfilled such requirement. However, Acquirer understands that Sub-merchant may have contracted with Provider to obtain certain processing services and that Provider may have agreed to be responsible to Sub-merchant for all or part of Sub-merchant’s obligations contained herein.

NOW, THEREFORE, in consideration of the foregoing recitals and of the mutual promises contained herein, the parties agree as follows:

1. **Certain Sub-merchant Responsibilities.** Sub-merchant agrees to comply, and to cause third parties acting as Sub-merchant’s agent (“Agents”) to comply, with the Association’s and other payment network’s by-laws, operating regulations and/or all other rules, policies and procedures, including but not limited to the Payment Card Industry Data Security Standard, the VISA Cardholder Information Security Program, the MasterCard Site Data Protection Program, and any other program or requirement that may be published and/or mandated by the Associations or payment networks (collectively "Operating Regulations"). Sub-merchant may review the VISA, MasterCard, and Discover websites for a copy of the Visa, MasterCard and Discover regulations. The websites are: <http://usa.visa.com/merchants/> and <http://www.mastercard.com/us/merchant/> and <http://www.discovernetwork.com/merchants/>. Sub-merchant also agrees to comply with all applicable state, federal, and local laws, rules, and regulations (“Laws”). Without limiting the foregoing, Sub-merchant agrees that it will fully comply with any and all anti-money laundering laws and regulations, including but not limited to the Bank Secrecy Act, the US Treasury’s Office of Foreign Assets Control (OFAC) and the Federal Trade Commission. For purposes of this section, Agents include, but are not limited to, Sub-merchant’s software providers and/or equipment providers.

If appropriately indicated in Sub-merchant's agreement with Provider, Sub-merchant may be a limited-acceptance merchant, which means that Sub-merchant has elected to accept only certain Visa and MasterCard card types (i.e., consumer credit, consumer debit, and commercial cards) and must display appropriate signage to indicate the same. Acquirer has no obligation other than those expressly provided under the Operating Regulations and applicable law as they may relate to limited acceptance. Sub-merchant, and not Acquirer, will be solely responsible for the implementation of its decision for limited acceptance, including but not limited to policing the card type(s) accepted at the point of sale.

Sub-merchant shall only complete sales transactions produced as the direct result of bona fide sales made by Sub-merchant to cardholders, and is expressly prohibited from presenting sales transactions which are produced as a result of sales made by any person or entity other than Sub-merchant, or for any purposes related to any illegal or prohibited activity, including but not limited to money-laundering or financing of terrorist activities.

Sub-merchant may set a minimum transaction amount to accept a card that provides access to a credit account, under the following conditions: i) the minimum transaction amount does not differentiate between card issuers; ii) the minimum transaction amount does not differentiate between MasterCard, Visa, or any other acceptance brand; and iii) the minimum transaction amount does not exceed ten dollars (or any higher amount established by the Federal Reserve). Sub-merchant may set a maximum transaction amount to accept a card that provides access to a credit account, under the following conditions: Sub-merchant is a i) department, agency or instrumentality of the U.S. government; ii) corporation owned or controlled by the U.S. government; or iii) Sub-merchant whose primary business is reflected by one of the following MCCs: 8220, 8244, 8249 –Schools, Trade or Vocational; and the maximum transaction amount does not differentiate between MasterCard, Visa, or any other acceptance brand.

2. **Sub-merchant Prohibitions.** Sub-merchant must not i) require a cardholder to complete a postcard or similar device that includes the cardholder's account number, card expiration date, signature, or any other card account data in plain view when mailed, ii) add any tax to transactions, unless applicable law expressly requires that a Sub-merchant impose a tax (any tax amount, if allowed, must be included in the transaction amount and not collected separately), iii) request or use an account number for any purpose other than as payment for its goods or services, iv) disburse funds in the form of travelers checks if the sole purpose is to allow the cardholder to make a cash purchase of goods or services from Sub-merchant, v) disburse funds in the form of cash unless Sub-merchant is dispensing funds in the form of travelers checks, TravelMoney cards, or foreign currency (in such case, the transaction amount is limited to the value of the travelers checks, TravelMoney cards, or foreign currency, plus any commission or fee charged by the Sub-merchant), or Sub-merchant is participating in a cash back service, vi) submit any transaction receipt for a transaction that was previously charged back to the Acquirer and subsequently returned to Sub-merchant, irrespective of cardholder approval, vii) accept a Visa consumer credit card or commercial Visa product issued by a U.S. issuer to collect or refinance an existing debt, viii) accept a card to collect or refinance an existing debt that has been deemed uncollectable, or ix) submit a transaction that represents collection of a dishonored check. Sub-merchant further agrees that, under no circumstance, will Sub-merchant store cardholder data in violation of the Laws or the Operating Regulations including but not limited to the storage of track-2 data. Neither Sub-merchant nor its Agent shall retain or store magnetic-stripe data subsequent to the authorization of a sales transaction.
3. **Settlement.** Upon receipt of Sub-merchant's sales data for card transactions, Acquirer will process Sub-merchant's sales data to facilitate the funds transfer between the various Associations and Sub-merchant. After Acquirer receives credit for such sales data, subject to the terms set forth herein, Acquirer will fund Sub-merchant, either directly to the Sub-merchant-Owned Designated Account or through Provider to an account designated by Provider ("Provider Designated Account"), at Acquirer's discretion, for such card transactions. Sub-merchant agrees that the deposit of funds to the Provider Designated Account shall discharge Acquirer of its settlement obligation to Sub-merchant, and that any dispute regarding the receipt or amount of settlement shall be between Provider and Sub-merchant. Acquirer will debit the Provider

Designated Account for funds owed to Acquirer as a result of the Services provided hereunder, provided that Acquirer may also debit Sub-merchant's designated demand deposit account ("Sub-merchant-Owned Designated Account") upon receipt of such account information from Sub-merchant or Provider, or if Acquirer deposits settlement funds into the Sub-merchant-Owned Designated Account. Further, if a cardholder disputes a transaction, if a transaction is charged back for any reason, or if Acquirer reasonably believes a transaction is unauthorized or otherwise unacceptable, the amount of such transaction may be charged back and debited from Sub-merchant or Provider.

4. **Term and Termination.** This Agreement shall be binding upon Sub-merchant upon Sub-merchant's execution. The term of this Agreement shall begin, and the terms of the Agreement shall be deemed accepted and binding upon Acquirer, on the date Acquirer accepts this Agreement by issuing a merchant identification number, and shall be coterminous with Provider's agreement with Sub-merchant.

Notwithstanding the foregoing, Acquirer may immediately cease providing Services and/or terminate this Agreement without notice if (i) Sub-merchant or Provider fails to pay any amount to Acquirer when due, (ii) in Acquirer's opinion, provision of a service to Sub-merchant or Provider may be a violation of the Operating Regulations or any Laws, (iii) Acquirer believes that Sub-merchant has violated or is likely to violate the Operating Regulations or the Laws, (iv) Acquire determines Sub-merchant poses a financial or regulatory risk to Acquirer or an Association, (v) Acquirer's agreement with Provider terminates, (vi) any Association deregisters Provider, (vii) Acquirer ceases to be a member of the Associations or fails to have the required licenses, or (viii) Acquirer is required to do so by any of the Associations.

5. **Limits of Liability.** Sub-merchant agrees to provide Acquirer, via a communication with Provider, with written notice of any alleged breach by Acquirer of this Agreement, which notice will specifically detail such alleged breach, within thirty (30) days of the date on which the alleged breach first occurred. Failure to so provide notice shall be deemed an acceptance by Sub-merchant and a waiver of any and all rights to dispute such breach.

EXCEPT FOR THOSE EXPRESS WARRANTIES MADE IN THIS AGREEMENT, ACQUIRER DISCLAIMS ALL WARRANTIES, INCLUDING, WITHOUT LIMITATION, ANY EXPRESS OR IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Sub-merchant's sole and exclusive remedy for any and all claims against Acquirer arising out of or in any way related to the transactions contemplated herein shall be termination of this Agreement. In the event that Sub-merchant has any claim arising in connection with the Services, rights, and/or obligations defined in this Agreement, Sub-merchant shall proceed against Provider and not against Acquirer, unless otherwise specifically set forth in the Operating Regulations. In no event shall Acquirer have any liability to Sub-merchant with respect to this Agreement or the Services. Sub-merchant acknowledges Acquirer is only providing this Agreement to assist in Provider's processing relationship with Sub-merchant, that Acquirer is not liable for any action or failure to act by Provider, and that Acquirer shall have no liability whatsoever in connection with any products or services provided to Sub-merchant by Provider. If Provider is unable to provide its services to Sub-merchant in connection with this Agreement and Acquirer elects to provide those services directly, Sub-merchant acknowledges and agrees that the provisions of this Agreement will no longer apply and the terms of Acquirer's then current Bank Card Merchant Agreement, which would be provided to Sub-merchant, will govern Acquirer's relationship with Sub-merchant. If Provider subsequently provides its services to Sub-merchant in connection with this Agreement, Acquirer will cease to provide such services after receipt of notice from Provider and this Agreement will govern Acquirer's relationship with Sub-merchant.

6. **Miscellaneous.** This Agreement is entered into, governed by, and construed pursuant to the laws of the State of Ohio without regard to conflicts of law provisions. This Agreement may not be assigned by Sub-merchant without the prior written consent of Acquirer. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors, transferees and assignees. This Agreement is for the benefit of, and may be enforced only by, Acquirer and Sub-merchant and is not for the benefit of,

and may not be enforced by, any other party. Acquirer may amend this Agreement upon notice to Sub-merchant in accordance with Acquirer's standard operating procedure. If any provision of this Agreement is determined to be illegal or invalid, such illegality or invalidity of that provision will not affect any of the remaining provisions and this Agreement will be construed as if such provision is not contained in the Agreement "Member Bank" as used in this Agreement shall mean a member of VISA, MasterCard and/or Discover, as applicable, that provides sponsorship services in connection with this Agreement. As of the commencement of this Agreement, Member Bank shall be Fifth Third Bank, an Ohio Banking Corporation, located in Cincinnati, OH 45263. The Member Bank is a party to this Agreement. EXHIBIT 8

Third Party Referrers

These additional definitions shall apply to this Appendix:

'Royalty Payment' – Payments designated by a Merchant to be paid as a royalty through the BlueSnap Services to a third party in respect of qualifying transactions.

'Royalty Recipients' – Recipients of Royalty Payments.

1.1. Upon the express consent of BlueSnap, and if not in contravention of Card Association or Acquirer rules, Merchant may develop relationships with Third Party Referrers to promote on its behalf through BlueSnap. When engaging in such relationships, Merchant does so at its own risk and is solely responsible for checking the integrity of Third Party Referrers and their products. BlueSnap does not evaluate the background of such Third Party Referrers and their presence within the BlueSnap system does not indicate their trustworthiness or quality of product or service.

A Merchant shall not act as a Third Party Referrer in respect of any other BlueSnap Merchant or other BlueSnap Merchant's products.

BlueSnap may in its sole discretion cease providing such Third Party Referrer features to Merchants and Third Party Referrers at any time upon written notice. Upon such cessation, the relevant provisions in this Agreement relating to Holdbacks and Reserve shall apply.

1.2. Merchant shall be responsible for the acts of its Third Party Referrers and BlueSnap is entitled to hold Merchant and Third Party Referrer jointly and severally liable for the acts of each of them. Should BlueSnap determine, in its reasonable opinion, that Merchant and Third Party Referrers are acting in concert in a manner that violates the terms of this Agreement, the BlueSnap acceptable use or privacy policies, BlueSnap may terminate this Agreement upon written notice to the Merchant.

1.3. In the event of any shortfalls in accounting to, from or between Merchant, Royalty Recipients and Third Party Referrers following cancellation, refund or Chargeback, BlueSnap may claim, or deduct, such shortfalls from monies held on account for behalf of the Merchant, Royalty Recipients and the appropriate Third Party Referrer, whether said monies are held by BlueSnap under this Agreement or other agreements with the same entity(ies).

1.4. Should BlueSnap deem it necessary to suspend or cease providing the BlueSnap Services to a party with whom the Merchant has a referral relationship, Merchant shall be responsible for resetting its Products within the BlueSnap System to reflect the resulting changes.

1.5. BlueSnap shall not be liable in any way for any claims resulting from Merchant's relationship with Royalty Recipients and Third Party Referrers including liabilities or claims of negligence, breach of contract, misrepresentation, fraud or other misbehavior of one of these entities.

1.6. The parties to a Royalty Payment and/or Third Party Referrer relationship shall indemnify and hold BlueSnap, its directors, officers, agents, employees and representatives harmless from any claim or action against BlueSnap or its directors, officers, agents, employees and representatives, arising from such relationship.

1.7. The following sub-paragraph provisions shall apply to any party, engaging in Third Party Referrer sale transactions or the giving or receiving of a Royalty Payment:

1.7.1 Acceptance of Third Party Referrers and Set Up of Royalty Payments

Third Party Referrers may be required to undergo acceptance and risk clearance processes with respect to the Merchant and/or BlueSnap. Third Party Referrers may apply to promote the Products of the Merchant through the BlueSnap Services by pressing the "MARKETPLACE" button or equivalent, searching for the desired products, and pressing the "PROMOTE THIS PRODUCT" button or equivalent after having reviewed Products. If a Third Party Referrer's application is approved by the Merchant, then (i) BlueSnap will notify Third Party Referrer by any means authorized by this Agreement, or by posting on the BlueSnap website (ii) Third Party Referrer and the Merchant will be deemed to have agreed to enter into a separate agreement with each other (the "**Referrer Agreement**") and (iii) Third Party Referrer will be approved for the Merchant and the relevant Product(s).

Merchant may opt to set up a Royalty Payment in the BlueSnap Services enabling a third party to receive a fixed sum or percentage payment on qualifying transactions. BlueSnap shall at all times have the absolute discretion whether or not to offer such functionality to Merchant and may cease to offer such service on 7 days' written notice.

1.7.2. Third Party Referrer Marketing Efforts

Third Party Referrer may market Merchant's Products subject to any applicable restrictions in the Merchant Agreement. Third Party Referrer may post links on its website or as otherwise permitted. If Merchant has any other advertising, marketing or promotional materials ("**Collateral Materials**") that may be used within the Marketplace Program, then Third Party Referrer may utilize these Collateral Materials when marketing Merchant's products. Notwithstanding the foregoing, Merchant may impose restrictions and guidelines on how Third Party Referrer may utilize Links or Collateral Materials by specifying such restrictions and

guidelines in the Special Terms and/or Merchant Agreement. Third Party Referrers shall only use BuyNow links provided by Merchant.

1.7.3. Third Party Referrer Information Provided to Merchant

Third Party Referrers shall grant BlueSnap permission to provide Merchant with the non-personally identifiable demographic information concerning Third Party Referrer's website visitors, as well as Third Party Referrer's contact and basic account information such as Third Party Referrer's email address(es), mailing address, URL, telephone and fax number to the extent known by BlueSnap through the BlueSnap Sales Services.

1.7.4. Payment Obligations to Third Party Referrer and Royalty Recipients

Any compensation paid to Third Party Referrer or Royalty Recipient by BlueSnap shall be designated as being paid on behalf of the Merchant. BlueSnap's payment of compensation to a Third Party Referrer or Royalty Recipient does not create any obligations by BlueSnap to continue making payments; BlueSnap has no liability for same. If at any time the Merchant's funds in BlueSnap's possession are insufficient to satisfy any of Merchant's compensation obligations to Third Party Referrer or Royalty Recipient, or if BlueSnap does not make payment of earned compensation to Third Party Referrer or Royalty Recipient for any other reason, then Third Party Referrer's/and/or Royalty Recipient's sole and exclusive remedy shall be to assert a claim directly against the Merchant and Merchant shall indemnify and hold BlueSnap harmless against any such claims, damages and costs.

1.7.5. Effect of Chargebacks, Refunds and Deductions

Where Merchant requires compensation to be based on net receipts, it is understood that Chargebacks, Refunds or Deductions may occur after the month in which the respective Third Party Referrer has received compensation. In this event BlueSnap will compute these Chargebacks, Refunds or Deductions as charges against any future compensation owed to Third Party Referrer or Royalty Recipient, or deduct them from any balances in the Third Party Referrer's or Royalty Recipient's account with BlueSnap. Third Party Referrer will be liable for any outstanding negative balances that arise out of Chargebacks related to Third Party Referrer's sales. To the extent that the balances in the Third Party Referrer's or Royalty Recipient's account with BlueSnap under this Agreement are insufficient to cover the Chargebacks, Refunds or Deductions, BlueSnap is entitled to deduct the Chargebacks, Refunds or Deductions from sums held on account of the Third Party Referrer or Royalty Recipient under other agreements with BlueSnap. Merchant remains responsible at all times for Chargebacks, Refunds, Deductions or fines or penalties relating to its Third Party Referrer including any sums levied on BlueSnap or Merchant by Acquirer or Card Association.

BlueSnap may in its sole discretion suspend or terminate service to any Third Party Referrer or Royalty Recipient at any time on written notice without cause.

1.7.6. Timing and Method of Compensation

BlueSnap will calculate the compensation owed to Third Party Referrer and/or Royalty Recipient by Merchant, and thereafter pay such compensation to Third Party Referrer and/or Royalty Recipient conditioned on the Merchant having deposited sufficient funds with BlueSnap for such purpose (the "**Merchant Funds**"). Unless otherwise agreed to by BlueSnap in writing, Third Party Referrer and Royalty Recipient's first compensation shall be paid by the fifteenth day of the following month, except if the fifteenth day shall fall on a weekend, in which case distribution shall be on the next business day following Third Party Referrer's first non-refunded sale. Payment shall be made on a monthly basis via ACH payment unless otherwise specified.

1.7.7. Minimum Monthly Compensation

To the extent that the total amount of compensation owed to Third Party Referrer in any one month is less than one hundred (\$100) dollars, BlueSnap shall withhold the payment of compensation for that month until the total compensation reaches the one hundred (\$100) dollar minimum in a subsequent month.

1.7.8. Third Party Referrer Transaction Fee to BlueSnap

Third Party Referrer shall be charged a two (\$2.00) dollars (USD) Third Party Referrer fee to BlueSnap for each payment out made to Third Party Referrer by BlueSnap. This payout fee is in addition to any other applicable fees associated with the Third Party Referrer's chosen payment method.

1.7.9. Effect of Third Party Referrer Termination

Upon termination, all applicable rights, authorizations, licenses and sublicenses that were granted to Third Party Referrer by Merchant and/or BlueSnap will terminate, and Third Party Referrer will promptly cease use of any and all Links and Collateral Materials and any applicable references to the identities of Merchant, BlueSnap and Products. Merchant shall be responsible, at its sole expense, for making certain that Third Party Referrer ceases such use. Third Party Referrer will receive compensation regarding such terminated Merchant Products which accrued prior, but not after, the date of such termination.

Upon termination of services to Merchant or Third Party Referrer, BlueSnap shall be entitled to set Holdbacks and Reserves as it deems fit in accordance with this Agreement.

1.7.10. Governing Rules

BlueSnap may develop rules to govern the division of payments received and commissions, compensation, notifications, dispersal of Customer data information, refund and Chargebacks for such Third Party Referrer relationships. If the Merchant engages in such relationships it shall be bound by such rules, which shall be made available through the BlueSnap website.

1.7.11. When Merchant is setting Third Party Referrer Fee Rates for Third Party Referrers, the maximum rate shall be 75% of the set Product price. This limit shall also take into account the total allocated amount for Royalty Payments on the same contract. Third Party Referrer Fee Rates mean the commission fee that Merchant agrees to pay to Third Party Referrer or group of Third Party Referrers upon the completion of a BlueSnap sales transaction.

1.7.12. Disputes

In the event of disputes arising from or relating to this Agreement, the decision of BlueSnap's management officers as to resolution shall be final.

1.7.13 In accordance with Card Association requirements, Merchant shall ensure that Merchant's web site and that of any related Third Party Referrer together with any invoice issued by Merchant shall identify the ultimate merchant in respect of the relevant transaction.
