This MERCHANT SERVICES AGREEMENT FOR SUB-MERCHANTS (“Agreement”) is made among VANTIV, LLC, having its principal office at 8500 Governors Hill Drive, Symmes Township, OH 45249-1384 and its designated Acquirer Member Bank (collectively “Acquirer”) and BlueSnap Merchant (“Sub-merchant”) in connection with the agreement between Sub-merchant and Bluesnap, Inc. (“Provider”). Acquirer will provide Sub-merchant with certain payment processing services (“Services”) in accordance with the terms of this Agreement. In consideration of Sub-merchant’s receipt of credit or debit card funded payments, and participation in programs affiliated with MasterCard International Inc. (“MasterCard”), VISA U.S.A. Inc. (“VISA”), Discover (“Discover”), and certain similar entities (collectively, “Associations”), Sub-merchant is required to comply with the Operating Regulations (defined below) as they pertain to applicable credit and debit card payments. In addition, if Sub-merchant meets certain requirements under the Operating Regulations or an Association or the Operating Regulations otherwise require, Sub-merchant may be required to enter into a direct relationship with an entity that is a member of the Associations. By executing this Agreement, Sub-merchant has fulfilled such requirement. However, Acquirer understands that Sub-merchant may have contracted with Provider to obtain certain processing services and that Provider may have agreed to be responsible to Sub-merchant for all or part of Sub-merchant’s obligations contained herein.

NOW, THEREFORE, in consideration of the foregoing recitals and of the mutual promises contained herein, the parties agree as follows:

1. **Certain Sub-merchant Responsibilities.** Sub-merchant agrees to comply, and to cause third parties acting as Sub-merchant’s agent (“Agents”) to comply, with the Association’s and other payment network’s by-laws, operating regulations and/or all other rules, policies and procedures, including but not limited to the Payment Card Industry Data Security Standard, the VISA Cardholder Information Security Program, the MasterCard Site Data Protection Program, and any other program or requirement that may be published and/or mandated by the Associations or payment networks (collectively "Operating Regulations"). Sub-merchant may review the VISA, MasterCard, and Discover websites for a copy of the Visa, MasterCard and Discover regulations. The websites are: <http://usa.visa.com/merchants/> and <http://www.mastercard.com/us/merchant/> and <http://www.discovernetwork.com/merchants/>. Sub-merchant also agrees to comply with all applicable state, federal, and local laws, rules, and regulations (“Laws”). Without limiting the foregoing, Sub-merchant agrees that it will fully comply with any and all anti-money laundering laws and regulations, including but not limited to the Bank Secrecy Act, the US Treasury’s Office of Foreign Assets Control (OFAC) and the Federal Trade Commission. For purposes of this section, Agents include, but are not limited to, Sub-merchant’s software providers and/or equipment providers.

If appropriately indicated in Sub-merchant’s agreement with Provider, Sub-merchant may be a limited-acceptance merchant, which means that Sub-merchant has elected to accept only certain Visa and MasterCard card types (i.e., consumer credit, consumer debit, and commercial cards) and must display appropriate signage to indicate the same. Acquirer has no obligation other than those expressly provided under the Operating Regulations and applicable law as they may relate to limited acceptance. Sub-merchant, and not Acquirer, will be solely responsible for the implementation of its decision for limited acceptance, including but not limited to policing the card type(s) accepted at the point of sale. Sub-merchant shall only complete sales transactions produced as the direct result of bona fide sales made by Sub-merchant to cardholders, and is expressly prohibited from presenting sales transactions which are produced as a result of sales made by any person or entity other than Sub-merchant, or for any purposes related to any illegal or prohibited activity, including but not limited to money-laundering or financing of terrorist activities.

Sub-merchant may set a minimum transaction amount to accept a card that provides access to a credit account, under the following conditions: i) the minimum transaction amount does not differentiate between card issuers; ii) the minimum transaction amount does not differentiate between MasterCard, Visa, or any other acceptance brand; and iii) the minimum transaction amount does not exceed ten dollars (or any higher amount established by the Federal Reserve). Sub-merchant may set a maximum transaction amount to accept a card that provides access to a credit account, under the following conditions: Sub-merchant is a i) department, agency or instrumentality of the U.S. government; ii)

corporation owned or controlled by the U.S. government; or iii) Sub-merchant whose primary business is reflected by one of the following MCCs: 8220, 8244, 8249 –Schools, Trade or Vocational; and the maximum transaction amount does not differentiate between MasterCard, Visa, or any other acceptance brand.

2. **Sub-merchant Prohibitions.** Sub-merchant must not i) require a cardholder to complete a postcard or similar device that includes the cardholder’s account number, card expiration date, signature, or any other card account data in plain view when mailed, ii) add any tax to transactions, unless applicable law expressly requires that a Sub-merchant impose a tax (any tax amount, if allowed, must be included in the transaction amount and not collected separately), iii) request or use an account number for any purpose other than as payment for its goods or services, iv) disburse funds in the form of travelers checks if the sole purpose is to allow the cardholder to make a cash purchase of goods or services from Sub-merchant, v) disburse funds in the form of cash unless Sub-merchant is dispensing funds in the form of travelers checks, TravelMoney cards, or foreign currency (in such case, the transaction amount is limited to the value of the travelers checks, TravelMoney cards, or foreign currency, plus any commission or fee charged by the Sub-merchant), or Sub-merchant is participating in a cash back service, vi) submit any transaction receipt for a transaction that was previously charged back to the Acquirer and subsequently returned to Sub-merchant, irrespective of cardholder approval, vii) accept a Visa consumer credit card or commercial Visa product issued by a U.S. issuer to collect or refinance an existing debt, viii) accept a card to collect or refinance an existing debt that has been deemed uncollectable, or ix) submit a transaction that represents collection of a dishonored check. Sub-merchant further agrees that, under no circumstance, will Sub-merchant store cardholder data in violation of the Laws or the Operating Regulations including but not limited to the storage of track-2 data. Neither Sub-merchant nor its Agent shall retain or store magnetic-stripe data subsequent to the authorization of a sales transaction.
3. **Settlement.** Upon receipt of Sub-merchant’s sales data for card transactions, Acquirer will process Sub-merchant’s sales data to facilitate the funds transfer between the various Associations and Sub-merchant. After Acquirer receives credit for such sales data, subject to the terms set forth herein, Acquirer will fund Sub-merchant, either directly to the Sub-merchant-Owned Designated Account or through Provider to an account designated by Provider (“Provider Designated Account”), at Acquirer’s discretion, for such card transactions. Sub-merchant agrees that the deposit of funds to the Provider Designated Account shall discharge Acquirer of its settlement obligation to Sub-merchant, and that any dispute regarding the receipt or amount of settlement shall be between Provider and Sub-merchant. Acquirer will debit the Provider Designated Account for funds owed to Acquirer as a result of the Services provided hereunder, provided that Acquirer may also debit Sub-merchant’s designated demand deposit account (“Sub-merchant-Owned Designated Account”) upon receipt of such account information from Sub-merchant or Provider, or if Acquirer deposits settlement funds into the Sub-merchant-Owned Designated Account. Further, if a cardholder disputes a transaction, if a transaction is charged back for any reason, or if Acquirer reasonably believes a transaction is unauthorized or otherwise unacceptable, the amount of such transaction may be charged back and debited from Sub-merchant or Provider.
4. **Term and Termination.** This Agreement shall be binding upon Sub-merchant upon Sub-merchant’s execution. The term of this Agreement shall begin, and the terms of the Agreement shall be deemed accepted and binding upon Acquirer, on the date Acquirer accepts this Agreement by issuing a merchant identification number, and shall be coterminous with Provider’s agreement with Sub-merchant.

Notwithstanding the foregoing, Acquirer may immediately cease providing Services and/or terminate this Agreement without notice if (i) Sub-merchant or Provider fails to pay any amount to Acquirer when due, (ii) in Acquirer's opinion, provision of a service to Sub-merchant or Provider may be a violation of the Operating Regulations or any Laws, (iii) Acquirer believes that Sub-merchant has violated or is likely to violate the Operating Regulations or the Laws, (iv) Acquire determines Sub-merchant poses a financial or regulatory risk to Acquirer or an Association, (v) Acquirer’s agreement with Provider terminates, (vi) any Association deregisters Provider, (vii) Acquirer ceases to be a member of the Associations or fails to have the required licenses, or (viii) Acquirer is required to do so by any of the Associations.

5. **Limits of Liability.** Sub-merchant agrees to provide Acquirer, via a communication with Provider,

with written notice of any alleged breach by Acquirer of this Agreement, which notice will specifically detail such alleged breach, within thirty (30) days of the date on which the alleged breach first occurred. Failure to so provide notice shall be deemed an acceptance by Sub-merchant and a waiver of any and all rights to dispute such breach.

EXCEPT FOR THOSE EXPRESS WARRANTIES MADE IN THIS AGREEMENT, ACQUIRER DISCLAIMS ALL WARRANTIES, INCLUDING, WITHOUT LIMITATION, ANY EXPRESS OR IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Sub-merchant's sole and exclusive remedy for any and all claims against Acquirer arising out of or in any way related to the transactions contemplated herein shall be termination of this Agreement. In the event that Sub-merchant has any claim arising in connection with the Services, rights, and/or obligations defined in this Agreement, Sub-merchant shall proceed against Provider and not against Acquirer, unless otherwise specifically set forth in the Operating Regulations. In no event shall Acquirer have any liability to Sub-merchant with respect to this Agreement or the Services. Sub-merchant acknowledges Acquirer is only providing this Agreement to assist in Provider's processing relationship with Sub-merchant, that Acquirer is not liable for any action or failure to act by Provider, and that Acquirer shall have no liability whatsoever in connection with any products or services provided to Sub-merchant by Provider. If Provider is unable to provide its services to Sub-merchant in connection with this Agreement and Acquirer elects to provide those services directly, Sub-merchant acknowledges and agrees that the provisions of this Agreement will no longer apply and the terms of Acquirer's then current Bank Card Merchant Agreement, which would be provided to Sub-merchant, will govern Acquirer's relationship with Sub-merchant. If Provider subsequently provides its services to Sub-merchant in connection with this Agreement, Acquirer will cease to provide such services after receipt of notice from Provider and this Agreement will govern Acquirer's relationship with Sub-merchant.

6. **Miscellaneous.** This Agreement is entered into, governed by, and construed pursuant to the laws of the State of Ohio without regard to conflicts of law provisions. This Agreement may not be assigned by Sub-merchant without the prior written consent of Acquirer. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors, transferees and assignees. This Agreement is for the benefit of, and may be enforced only by, Acquirer and Sub-merchant and is not for the benefit of, and may not be enforced by, any other party. Acquirer may amend this Agreement upon notice to Sub-merchant in accordance with Acquirer's standard operating procedure. If any provision of this Agreement is determined to be illegal or invalid, such illegality or invalidity of that provision will not affect any of the remaining provisions and this Agreement will be construed as if such provision is not contained in the Agreement "Member Bank" as used in this Agreement shall mean a member of VISA, MasterCard and/or Discover, as applicable, that provides sponsorship services in connection with this Agreement. As of the commencement of this Agreement, Member Bank shall be Fifth Third Bank, an Ohio Banking Corporation, located in Cincinnati, OH 45263. The Member Bank is a party to this Agreement. The Member Bank may be changed, and its rights and obligations assigned to another party by Acquirer at any time without notice to Sub-merchant.

By entering into this Sub-Merchant Processing Agreement (the "Agreement"), you agree to comply with the (1) Card Organization Rules as they pertain to Card information you receive through the Payment Facilitator service and (2) Your Card Acceptance Guide.

Acceptance of Cards

You agree to comply with Your Card Acceptance Guide and all Card Organization Rules, as such may be changed from time to time. You understand that we may be required to modify Your Card Acceptance

Guide and the Agreement from time to time in order to comply with requirements imposed by the Card Organizations.

In offering payment options to your customers, you may elect any one of the following options: (1) Accept all types of Visa and MasterCard cards, including consumer credit and debit/check cards, and commercial credit and debit/check cards; (2) Accept only Visa and MasterCard credit cards and commercial cards (If you select this option, you must accept all consumer credit cards (but not consumer debit/check cards) and all commercial card products, including business debit/check cards); or (3) Accept only Visa and MasterCard consumer debit/check cards (If you select this option, you must accept all consumer debit/check card products (but not business debit/check cards) and refuse to accept any kind of credit cards). The acceptance options above apply only to domestic transactions.

If you choose to limit the types of Visa and MasterCard cards you accept, you must display appropriate signage to indicate acceptance of the limited acceptance category you have selected (that is, accept only debit/check card products or only credit and commercial products).

For recurring transactions, you must obtain a written request or similar authentication from your customer for the goods and/or services to be charged to the customer's account, specifying the frequency of the recurring charge and the duration of time during which such charges may be made.

Settlement

Upon our receipt of the Transaction Data for Card transactions, we will process the Transaction Data to facilitate the funds transfer from the various Card Organizations for the Card sales. After we receive credit for such Transaction Data, subject to our other rights under this Agreement, we will provide provisional credit to your Settlement Account.

You must not submit transactions for payment until the goods are delivered shipped, or the services are performed. If the Cardholder disputes being charged for merchandise or services before receiving them, a Chargeback may result.

Chargebacks

Chargebacks can be received for a number of reasons. The following are some of the most common reasons for Chargebacks: (1) a refund is not issued to a customer upon the return or non-delivery of goods or services; (2) an authorization/approval code was required and not obtained; (3) the transaction was allegedly fraudulent; (4) the customer disputes the Card sale or the signature on the sale documentation, or claims that the sale is subject to a set-off, defense or counterclaim; or (5) The customer refuses to make payment for a Card sale because in the customer's good faith opinion, a claim or complaint has not been resolved, or has been resolved but in an unsatisfactory manner.

Fees

You agree to pay Payment Facilitator the fees associated with the provision of the services contemplated hereunder as reserved in your agreement with Payment Facilitator.

Reserve

The Reserve Account will contain sufficient funds to cover any unbilled processing costs plus our estimated exposure based on reasonable criteria for Chargebacks, fines, returns and unshipped merchandise and/or unfulfilled services. We may (but are not required to) apply funds in the Reserve Account toward, and may set off any funds that would otherwise be payable to you against, the

satisfaction of any amounts which are or become due from you pursuant to this Agreement. The Reserve Account will not bear interest, and you will have no right or interest in the funds in the Reserve Account; provided that upon satisfaction of all of your obligations under this Agreement, we will pay to you any funds then remaining in the Reserve Account. Any funds in the Reserve Account may be commingled with other funds, and need not be maintained in a separate account. Effective upon our establishment of a Reserve Account, you irrevocably grant to us a security interest in any and all funds, together with the proceeds thereof, that may at any time be in our possession and would otherwise be payable to you pursuant to the terms of this Agreement. You agree to execute and deliver to us such instruments and documents that we may reasonably request to perfect and confirm the security interest and right of setoff set forth in this Agreement. The parties' rights and obligations under this Section shall survive termination of this Agreement.

Financial Information

Upon request, you will provide us with financial statements. Such financial statements shall be prepared in accordance with generally accepted accounting principles. You will also provide other information concerning your business and your compliance with the terms and provisions of this Agreement as we may reasonably request.

Data Security and Privacy

You represent to us that you do not have access to Card information (such as the cardholder's account number, expiration date, and CVV2) and you will not request access to such Card information from us. In the event that you receive such Card information in connection with the processing services provided under this Agreement, you agree that you will not use it for any fraudulent purpose or in violation of any Card Organization Rules, including but not limited to Payment Card Industry Data Security Standards ("PCI DSS") or applicable law. If at any time you believe that Card information has been compromised, you must notify us promptly and assist in providing notification to the proper parties. You must ensure your compliance and that of any third party service provider utilized by you, with all security standards and guidelines that are applicable to you and published from time to time by Visa, MasterCard or any other Card Organization, including, without limitation, the Visa U.S.A. Cardholder Information Security Program ("CISP"), the MasterCard Site Data Protection ("SDP"), and (where applicable), the PCI Security Standards Council, Visa, and MasterCard PA-DSS ("Payment Application Data Security Standards") (collectively, the "Security Guidelines"). If any Card Organization requires an audit of you due to a data security compromise event or suspected event, you agree to cooperate with such audit. You may not use any Card information other than for the sole purpose of completing the transaction authorized by the customer for which the information was provided to you, or as specifically allowed by Card Organization Rules, Your Card Acceptance Guide or required by law.

(v) any of your conditions, covenants, obligations or representations or warranties in this Agreement are breached in any material respect or are incorrect in any material respect when made or deemed to be made; or

(vi) you shall file a petition or have a petition filed by another party under the Bankruptcy Code or any other laws relating to bankruptcy, insolvency or similar arrangement for adjustment of debts; consent to or fail to contest in a timely and appropriate manner any petition filed against you in an involuntary case under such laws; apply for or consent to, or fail to contest in a timely and appropriate manner, the appointment of, or the taking of possession by, a receiver, custodian, trustee or liquidator of itself or of a substantial part of its property; or make a general assignment for the benefit of creditors; or take any corporate action for the purpose of authorizing any of the foregoing; or

(vii) a violation by you of any applicable law or Card Organization Rule or our reasonable belief that termination of this Agreement or suspension of services is necessary to comply with any law including without limitation the rules and regulations promulgated by the Office of Foreign Assets Control of the US Department of the Treasury or your breach, as determined by Servicers, of your requirement to comply with all applicable laws.

then, upon the occurrence of (1) an Event of Default specified in subsections (iv), (v), (vi), or (vii) we may consider this Agreement to be terminated immediately, without notice, and all amounts payable hereunder shall be immediately due and payable in full without demand or other notice of any kind, all of which are expressly waived by you, and (2) any other Event of Default, this Agreement may be terminated by us giving not less than 10 days' notice to you, and upon such notice all amounts payable hereunder shall be due and payable on demand.

The Card Organizations often maintain lists of merchants who have had their merchant agreements or Card acceptance rights terminated for cause. If this Agreement is terminated for cause, you acknowledge that we may be required to report your business name and the names and other information regarding its principals to the Card Organizations for inclusion on such list(s). You expressly agree and consent to such reporting if you are terminated as a result of the occurrence of an Event of Default or for any reason specified as cause by the Card Organizations. Furthermore, you agree to waive and hold us harmless from and against any and all claims which you may have as a result of such reporting.

In the event we provide notice to you of an increase in the fees for Services, you may terminate this Agreement without further cause or penalty by providing us 30 days advance written notice of termination. You must terminate within 30 days after we provide notice of the fee increase. However, maintaining your account with us or your continued use of our Services after the effective date of any increase shall be deemed acceptance of the increased fees for Services, throughout the term of this Agreement.

We may terminate this Agreement at any time and for any or no reason upon the provision of thirty (30) days prior notice. We may also temporarily suspend or delay payments to you during our investigation of any issue and/or designate an amount of funds that we must maintain in order to protect us against the risk of, among other things, existing, potential, or anticipated Chargebacks arising under this Agreement or other amounts that may be owing to us under this Agreement.

Acceptance of Cards

You agree to comply with Your Card Acceptance Guide and all Card Organization Rules, as such may be changed from time to time. You understand that we may be required to modify Your Card Acceptance Guide and the

Agreement from time to time in order to comply with requirements imposed by the Card Organizations.

In offering payment options to your customers, you may elect any one of the following options: (1) Accept all types of Visa and MasterCard cards, including consumer credit and debit/check cards, and commercial credit and debit/check cards; (2) Accept only Visa and MasterCard credit cards and commercial cards (If you select this option, you must accept all consumer credit cards (but not consumer debit/check cards) and all commercial card products, including business debit/check cards); or (3) Accept only Visa and MasterCard consumer debit/check cards (If you select this option, you must accept all consumer debit/check card products (but not business debit/check cards) and refuse to accept any kind of credit cards). The acceptance options above apply only to domestic transactions.

If you choose to limit the types of Visa and MasterCard cards you accept, you must display appropriate signage to indicate acceptance of the limited acceptance category you have selected (that is, accept only debit/check card products or only credit and commercial products).

For recurring transactions, you must obtain a written request or similar authentication from your customer for the goods and/or services to be charged to the customer's account, specifying the frequency of the recurring charge and the duration of time during which such charges may be made.

Settlement

Upon our receipt of the Transaction Data for Card transactions, we will process the Transaction Data to facilitate the funds transfer from the various Card Organizations for the Card sales. After we receive credit for such Transaction Data, subject to our other rights under this Agreement, we will provide provisional credit to your Settlement Account.

The Reserve Account will contain sufficient funds to cover any unbilled processing costs plus our estimated exposure based on reasonable criteria for Chargebacks, fines, returns and unshipped merchandise and/or unfulfilled services. We may (but are not required to) apply funds in the Reserve Account toward, and may set off any funds that would otherwise be payable to you against, the satisfaction of any amounts which are or become due from you pursuant to this Agreement. The Reserve Account will not bear interest, and you will have no right or interest in the funds in the Reserve Account; provided that upon satisfaction of all of your obligations under this Agreement, we will pay to you any funds then remaining in the Reserve Account. - (v) any of your conditions, covenants, obligations or representations or warranties in this Agreement are breached in any material respect or are incorrect in any material respect when made or deemed to be made; or
- (vi) you shall file a petition or have a petition filed by another party under the Bankruptcy Code or any other laws relating to bankruptcy, insolvency or similar arrangement for adjustment of debts; consent to or fail to contest in a timely and appropriate manner any petition filed against you in an involuntary case under such laws; apply for or consent to, or fail to contest in a timely and appropriate manner, the appointment of, or the taking of possession by, a receiver, custodian, trustee or liquidator of itself or of a substantial part of its property; or make a general assignment for the benefit of creditors; or take any corporate action for the purpose of authorizing any of the foregoing; or
- (vii) a violation by you of any applicable law or Card Organization Rule or our reasonable belief that termination of this Agreement or suspension of services is necessary to comply with any law including without limitation the rules and regulations promulgated by the Office of Foreign Assets Control of the US Department of the Treasury or your breach, as determined by Servicers, of your requirement to comply with all applicable laws.

then, upon the occurrence of (1) an Event of Default specified in subsections (iv), (vi), (vii), or (viii) we may consider this Agreement to be terminated immediately, without notice, and all amounts payable hereunder shall be immediately due and payable in full without demand or other notice of any kind, all of which are expressly waived by you, and (2) any other Event of Default, this Agreement may be terminated by us giving not less than 10 days' notice to you, and upon such notice all amounts payable hereunder shall be due and payable on demand.

The Card Organizations often maintain lists of merchants who have had their merchant agreements or Card acceptance rights terminated for cause. If this Agreement is terminated for cause, you acknowledge that we may be required to report your business name and the names and other information regarding its principals to the Card Organizations for inclusion on such list(s). You expressly agree and consent to such reporting if you are terminated as a result of the occurrence of an Event of Default or for any reason specified as cause by the Card Organizations. Furthermore, you agree to waive and hold us harmless from and against any and all claims which you may have as a result of such reporting.

In the event we provide notice to you of an increase in the fees for Services, you may terminate this Agreement without further cause or penalty by providing us 30 days advance written notice of termination. You must terminate within 30 days after we provide notice of the fee increase. However, maintaining your account with us or your continued use of our Services after the effective date of any increase shall be deemed acceptance of the increased fees for Services, throughout the term of this Agreement.

We may terminate this Agreement at any time and for any or no reason upon the provision of thirty (30) days prior notice. We may also temporarily suspend or delay payments to you during our investigation of any issue and/or designate an amount of funds that we must maintain in order to protect us against the risk of, among other things, existing, potential, or anticipated Chargebacks arising under this Agreement or other amounts that may be owing to us under this Agreement.

- (4) Servicers shall have all rights to hold back, set off, withhold, or deduct from the settlement funds amounts that Sub-Merchant may owe to Services under this Agreement (e.g., impending Data Compromise Losses);
- (5) Servicers shall have all rights to hold back, set off, withhold, or deduct from the settlement funds any amounts that Sub-Merchant may owe to BlueSnap under the BlueSnap Agreement, and to remit such amounts to BlueSnap unless and to the extent that BlueSnap and Servicers agree otherwise;
- (6) Servicers shall have all rights to hold back, set off, withhold, or deduct from the settlement funds (and Sub-Merchant authorizes Servicers to debit from the Settlement Account) all Chargebacks, credits, and refunds relating to Transactions, amounts used to fund a Reserve hereunder, and fees, fines, penalties, or assessments imposed or on Servicers by Card Organizations or another third party arising out of acts or omissions by Sub-Merchant;
- (7) Servicers disclaim all responsibility and liability relating to settlement to Sub-Merchant as more fully described in Section 13 below.

4.4 **Chargebacks.** Sub-Merchant shall not submit Transactions for payment until the goods are delivered shipped or the services are performed, unless otherwise allowed by Card Organization Rules or Applicable Law. If the Cardholder disputes charges for merchandise or services before receiving them, a Chargeback may result. Chargebacks can occur for a number of reasons. The following are some of the most common reasons for chargebacks: (1) a refund is not issued to a Cardholder upon the return or non-delivery of goods or services; (2) an authorization/approval code

was required and not obtained; (3) the Transaction was allegedly fraudulent; (4) the Cardholder disputes the Card sale or the signature on the sale documentation, or claims that the sale is subject to a set-off, defense or counterclaim; or (5) The Cardholder refuses to make payment for a Card sale because in the Cardholder's good faith opinion, a claim or complaint has not been resolved, or has been resolved but in an unsatisfactory manner.

5. **Reporting; Customer Support.** BlueSnap (not Servicers) will be responsible for providing to Sub-Merchant all Transaction reporting and customer support in connection with the Acquiring Services, including all disputes arising under this Agreement. Sub-Merchant shall raise any and all disputes under this Agreement with BlueSnap and not Servicers.

6. **Fees.** All fees for Acquiring Services rendered to Sub-Merchant under the BlueSnap Agreement shall be paid by Sub-Merchant to BlueSnap in accordance with the BlueSnap Agreement, provided that if Servicers settle directly to Sub-Merchant Servicers may deduct such amounts from settlement and remit to BlueSnap in accordance with Section 4.3 above.

7. **Term; Termination.**

7.1 Term. This Agreement shall be effective as of the later of (i) the effective date of the BlueSnap Agreement, or (ii) the date on which Sub-Merchant is boarded on Servicers' processing platform and given a merchant identification number. This Agreement shall remain effective until terminated as set forth herein.

7.2 Termination. This Agreement shall terminate upon the termination or expiration of the BlueSnap Agreement. In addition, either Servicer may terminate this Agreement upon notice to Sub-Merchant and BlueSnap for any other reason, with or without cause. Notwithstanding the foregoing, all provisions of this Agreement shall survive such termination only so long as, and to the extent that, Servicers continue to provide Acquiring Services to Sub-Merchant (1) relating to transactions submitted to Servicers prior to such termination or expiration (including but not limited to any trailing chargeback activity); and/or (2) pending the execution of a separate merchant agreement between Servicers and Sub-Merchant.

7.3 Card Organization Reporting. If this Agreement is terminated for cause, Sub-Merchant acknowledges that Servicers may be required under the Card Organization Rules to report Sub-Merchant's business name and the names and other identification of its principals to the Card Organizations. Sub-Merchant expressly agrees and consents to such reporting in the event Sub-Merchant is terminated for cause or for any reason specified by the Card Organization(s) as cause. Furthermore, Sub-Merchant agrees to waive and hold Servicers harmless from and against any and all claims which it may have as a result of such reporting.

8. **Reserve**

8.1 In addition to BlueSnap's holdback and rolling reserve rights in the BlueSnap Agreement, if Servicers have elected to settle directly to Sub-Merchant in accordance with Section 4.3 above, Servicers may at any time, including upon termination of this Agreement, require Sub-Merchant to fund a cash reserve ("**Reserve**") in an amount that reflects Servicers' assessment of their reasonably anticipated risk relating to Sub-Merchant, as they may determine (and may increase or decrease) in their discretion from time-to-time. For the avoidance of doubt, such risk may relate to amounts for which Sub-Merchant may be directly liable to Servicers under this Agreement (e.g., anticipated Data Compromise Losses, Card Organization fines, etc.), or amounts for which BlueSnap may be liable to Servicers that relate to Sub-Merchant. Servicers may fund the Reserve by holding back Transaction proceeds, debiting the Settlement Account, or making a demand of payment from Sub-Merchant. The Reserve is not a segregated fund that the Sub-Merchant may claim to own. Servicers will pay to the Sub-Merchant any amounts remaining from the Reserve after all other then-current and contingent liabilities or obligations related to the Sub-Merchant's Transactions have expired (as provided for under the Card Organization Rules).

8.2 The obligations due to the Sub-Merchant from the Reserve will not accrue interest unless required by Applicable Laws.

8.3 BlueSnap will notify the Sub-Merchant if a Reserve is established (including its amount) or if the amount of the Reserve is modified.

8.4 Servicers may set off from the Reserve any obligations that the Sub-Merchant owes to Servicers under this Agreement, or any obligations that BlueSnap owes to Servicers that are related to Sub-Merchant. However, Servicers will not set off from the Reserve obligations that Sub-Merchant owes to BlueSnap under the BlueSnap Agreement.

8.5 Although Sub-Merchant acknowledges that the Reserve is a general obligation of Servicers, and not a specifically identifiable fund, if any person claims that the Reserve is an asset of Sub-Merchant that is held by the Bank or BAMS, Sub-Merchant grants and acknowledges that the Bank and First Data have a security interest in the Reserve and, at Servicers' request, will provide documentation to reflect this security interest.

9. **Data Security.**

9.1 No Card Information. Sub-Merchant represents that it does not have access to Card information (such as the cardholder's account number, expiration date, and CVV2) and will not request access to such Card information from Servicers. In the event Sub-Merchant receives such Card information in connection with the Acquiring Services provided hereunder, Sub-Merchant shall promptly notify Servicers, and agrees not to use it for any fraudulent purpose or in violation of any Card Organization Rules, including but not limited to Payment Card Industry Data Security Standards (PCI DSS) or Applicable Law.

9.2 Third Party Service Providers. Sub-Merchant represents that it does not and will not during the term of this Agreement without Servicers' prior written consent, use any third party service provider other than BlueSnap in connection with the handling, storage, processing, or transmission of any Transaction data or Cardholder data relating to Transactions processed by Servicers under this Agreement.

9.3 Data Compromise Event. If, notwithstanding the above representations, at any time Sub-Merchant has reason to believe that Card information or Transaction information in its possession or control, or in the possession or control of its agent, representative, or third party service provider, has been compromised, lost, disclosed, or stolen (a "Data Compromise Event"), Sub-Merchant will (i) notify Servicers promptly and assist in providing notification to the proper parties, (ii) not alter or destroy any related records, (iii) maintain complete and accurate documentation regarding any modifications made to the records, and (iv) share with Servicers information related to Sub-Merchant's or any Card Organization's investigation related to any actual or suspected Compromised Data Event (including forensic reports and systems audits), and Servicers may share that information with Card Organizations. Further, Sub-Merchant will indemnify Servicers for any Losses arising from a Data Compromise Event in accordance with Section 14 below.

9.4 Cooperation. If any Card Organization requires an audit of Sub-Merchant due to an actual or suspected Data Compromise Event, Sub-Merchant will cooperate with such audit. Sub-Merchant may not use any Card information other than for the sole purpose of completing the Transaction authorized by the Cardholder for which the information was provided, or as specifically allowed by Card Organization Rules or required by Applicable Law.

10. **Provision of Information; Audit.** Sub-Merchant will promptly provide to Servicers any financial or other information reasonably requested by Servicers and/or Card Organizations to (i) perform credit, risk, security, qualification, and other reviews or monitoring relating to the Servicer Services, Transactions and Transaction activity, settlement directly to Sub-Merchant, or the financial condition of Sub-Merchant, including but not limited to anti-money laundering, know-your-customer, and sanctions screens; (ii) establish a merchant ID for Sub-Merchant; (iii) ensure compliance with this Agreement, the Card Organization Rules, and Applicable Law; (iv) remediate any violation of Card Association Rules or Applicable Law or breach of this Agreement. Sub-Merchant authorizes Servicers to obtain information from third parties when performing credit, risk, security, qualification, and other reviews. Servicers or their designees may perform a reasonable

audit of Sub-Merchant's records related to its performance under this Agreement with seven (7) days' advance written notice to Sub-Merchant (or 24 hours' notice in the case of suspected fraud, unlawful or prohibited Transactions, security concerns or security breach), and at Servicers' expense.

11. **Notice of Material Change.** Sub-Merchant will provide Servicers with reasonable advance notice of any material change in the nature of Sub-Merchant's business (including any change in control or merger, any liquidation, any transfer or sale of all or substantially all of its assets, or any change to Sub-Merchant's operations that would materially affect the products or services sold, the procedures for payments acceptance, or the fulfillment of obligations to a Cardholder).

12. **Disclaimer of Warranties.** **EXCEPT AS EXPRESSLY PROVIDED HEREIN, SERVICERS DISCLAIM ALL REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, MADE TO BLUESNAP, SUB-MERCHANT OR ANY OTHER PERSON, INCLUDING ANY WARRANTIES REGARDING QUALITY, SUITABILITY, MERCHANTABILITY, NONINFRINGEMENT, FITNESS FOR A PARTICULAR PURPOSE OR OTHERWISE (REGARDLESS OF ANY COURSE OF DEALING, CUSTOM OR USAGE OF TRADE) OF ANY SERVICES OR ANY GOODS PROVIDED INCIDENTAL TO THE SERVICES PROVIDED UNDER THIS AGREEMENT.**

13. **Limitation of Liability.** Sub-Merchant acknowledges that Servicers are only entering into this Agreement to assist BlueSnap in BlueSnap's processing relationship with Sub-Merchant. Therefore, to the extent allowed by Applicable Law: (i) if Sub-Merchant has any claim arising in connection with any of the above, Sub-Merchant's sole and exclusive remedy shall be to proceed against BlueSnap and not against either Servicer; (ii) in no event shall either Servicer have any liability to Sub-Merchant with respect to this Agreement or the Acquiring Services, including but not limited to any claim relating to an action or failure to act by BlueSnap or Servicers' or BlueSnap's settlement (or failure to settle) to the Settlement Account. To the extent the Card Organization Rules prohibit Servicers from disclaiming liability as provided in this Section, Servicers' liability shall be limited to that explicitly required by the Card Organization Rules and only applicable where and to the extent that such Card Organizations have the authority to enforce such rules.

14. **Indemnification.** Sub-Merchant will indemnify and hold harmless Servicers (including their respective affiliates, directors, officers, managers, and employees) for any and all losses, damages, costs, fines, penalties, assessments, and expenses (including issuer reimbursements) (together, "Losses") assessed against them by a third party (including Card Organizations), or awarded against them due to a third party claim, which arises from (i) Sub-Merchant's or its third party service provider's gross negligence, willful misconduct, or breach of this Agreement, or (ii) any Data Compromise Event.

15. **Assignment.** Each Servicer may, in whole or in part, assign or transfer this Agreement or delegate or subcontract its respective rights, duties, or obligations under this Merchant Agreement without Sub-Merchant's or BlueSnap's consent. Sub-Merchant further acknowledges that another financial institution may be substituted for Bank with respect to Bank's obligations hereunder.

16. **Confidentiality**

16.1 **Confidentiality.** No party will disclose non-public information about another party's business (including the terms of this Merchant Agreement, technical specifications, customer lists, or information relating to a party's operational, strategic, or financial matters) received or obtained by such party during the term of this Agreement (together, Confidential Information). Confidential Information does not include information that: (1) is or subsequently becomes publicly available (through no fault of the recipient); (2) the recipient lawfully possesses before its disclosure; (3) is independently developed without reliance on the discloser's Confidential Information; or (4) is received from a third party that is not obligated to keep it confidential. Each party will implement and maintain reasonable safeguards to protect the other party's Confidential Information.

16.2 **Disclosure.** The recipient may disclose another's party's Confidential Information: (1) to its directors, officers, personnel, and representatives (including those of its subsidiaries, affiliates, subcontractors or vendors) that need to know it in connection with the recipient's performance under this Merchant Agreement, and are bound by confidentiality obligations materially similar to those required under this Merchant Agreement; and (2) in response to a subpoena, court order, request from

a regulator, or as required under applicable laws or Card Organization Rules. Nothing herein shall prohibit SERVICERS and their affiliates from using or disclosing aggregated, anonymized Cardholder data and Transaction data for Servicers' and their affiliates' reporting and internal analysis.

17. **IRS Reporting Information.** Pursuant to Section 6050W of the Internal Revenue Code, merchant acquiring entities (like Bank) and third-party settlement organizations are required to file an information return reflecting all payment card transactions and third-party network transactions occurring in a calendar year. Accordingly, Sub-Merchant will receive a form 1099-k reporting Sub-Merchant's gross transaction amounts for each calendar year. In addition, the Internal Revenue Code may require Servicers to undertake backup withholding if Sub-Merchant does not provide Bank with the correct name and TIN that Sub-Merchant uses when filing its income tax return that includes the transactions for Sub-Merchant's business.

18. **Choice of Law; Venue; Waiver of Jury Trial.** The parties agree that this Agreement will be governed by and construed in accordance with the laws respecting national banks and, to the extent not so covered, by the laws of the State of North Carolina without regard to conflicts of law provisions. Each party agrees that any action or proceeding relating to this Agreement shall be brought exclusively in any court of competent jurisdiction in State of North Carolina and the United States for the Western District of North Carolina, Charlotte Division, located in Charlotte, North Carolina, and for that purpose now irrevocably and unconditionally agrees and submits to the jurisdiction of such North Carolina courts and waives any objection to the venue of such courts whether based on inconvenience of forum or other grounds. The parties irrevocably waive any and all rights they may have to a trial by jury in any judicial proceeding relating to this Agreement. Sub-Merchant additionally agrees to waive personal service of process and consents that service of process upon Sub-Merchant may be made by certified or registered mail, return receipt requested, at the address provided in this Agreement.

I. Applicable to Merchant Boarded with Payvision B.V. (EU Only)

This MERCHANT SERVICES AGREEMENT FOR SUB-MERCHANTS (the "Agreement") is made among BlueSnap Payment Services Limited having its registered office at 800 South Street, Suite 640,

Waltham MA 02453 (the “**Provider**”) and its designated Acquirer Member Bank, Payvision B.V. (the “**Acquirer**”) and Provider’s Merchant (the “**Sub-merchant**”) in connection with the agreement between the Sub-merchant and the Provider. Acquirer will provide Sub-merchant with certain payment processing services (the “**Services**”) in accordance with the terms of this Agreement. In consideration of the Sub-merchant’s receipt of credit or debit card funded payments, and participation in programs affiliated with MasterCard Europe S.A. (“**MasterCard**”), VISA Europe Ltd. (“**VISA**”) and certain similar entities (jointly referred to as the “**Card Organizations**” and each an “**Card Organization**”), Sub-merchant is required to comply with the Rules (as defined below) as they pertain to applicable credit and debit card payments. In addition, if Sub-merchant meets certain requirements under the Rules or a Card Organization or the Rules otherwise require, Sub-merchant may be required to enter into a direct relationship with an entity that is a member of the Card Organizations. By executing this Agreement, the Sub-merchant has fulfilled such requirement. However, the Acquirer agrees and acknowledges that the Sub-merchant has contracted with the Provider to obtain certain processing services and that the Provider has agreed to be responsible to the Sub-merchant for all or part of the Sub-merchant’s obligations contained herein.

NOW, THEREFORE, in consideration of the foregoing recitals and of the mutual promises contained herein, the parties agree as follows:

1. Certain Sub-merchant Responsibilities. The Sub-merchant agrees to comply, and to cause third parties acting as the Sub-merchant’s agents (the “**Agents**”) to comply, with the Card Organization’s and other payment network’s by-laws, Rules and/or all other rules, policies and procedures, including but not limited to the Payment Card Industry Data Security Standard, the VISA Cardholder Information Security Program, the MasterCard Site Data Protection Program, and any other program or requirement that may be published and/or mandated by the Card Organizations or payment networks (jointly referred to as the “**Rules**”). The Sub-merchant also agrees to comply with all applicable state, federal and local laws, rules and regulations (the “**Laws**”). Without limiting the foregoing, the Sub-merchant agrees that it will fully comply with any and all anti-money laundering laws and regulations, including but not limited to the Dutch Anti-Money Laundering Act (*Wet ter voorkoming van witwassen en financieren van terrorisme*) and Sanction Act (*Sanctiewet*). For purposes of this section, the Agents include, but are not limited to, Sub-merchant’s software providers and/or equipment providers.

If appropriately indicated in the Sub-merchant’s agreement with the Provider, the Sub-merchant may be a limited-acceptance merchant, which means that the Sub-merchant has elected to accept only certain Visa and MasterCard card types (i.e. consumer credit, consumer debit and commercial cards) and must display appropriate signage to indicate the same. The Acquirer has no obligation other than those expressly provided under the Rules and applicable law as they may relate to limited acceptance. The Sub-merchant, and not the Acquirer, will be solely responsible for the implementation of its decision for limited acceptance, including but not limited to policing the card type(s) accepted at the point of sale.

The Sub-merchant shall only complete sales transactions produced as the direct result of bona fide sales made by the Sub-merchant to cardholders, and is expressly prohibited from presenting sales transactions which are produced as a result of sales made by any person or entity other than the Sub-merchant, or for any purposes related to any illegal or prohibited activity, including but not limited to money-laundering or financing of terrorist activities.

The Sub-merchant may set a minimum transaction amount to accept a card that provides access to a credit account, under the following conditions: (i) the minimum transaction amount does not differentiate between card issuers and (ii) the minimum transaction amount does not differentiate between MasterCard, Visa, or any other acceptance brand. The Sub-merchant may set a maximum transaction amount to accept a card that provides access to a credit account, provided that the maximum transaction amount does not differentiate between MasterCard, Visa, or any other acceptance brand.

2. Sub-merchant Prohibitions. Sub-merchant must not (i) require a cardholder to complete a postcard or similar device that includes the cardholder’s account number, card expiration date, signature or any other card account data in plain view when mailed, (ii) add any tax to transactions, unless applicable law

expressly requires that the Sub-merchant impose a tax (any tax amount, if allowed, must be included in the transaction amount and not collected separately), (iii) request or use an account number for any purpose other than as payment for its goods or services, (iv) disburse funds in the form of travelers checks if the sole purpose is to allow the cardholder to make a cash purchase of goods or services from Sub-merchant, (v) disburse funds in the form of cash unless Sub-merchant is participating in a cash back service, (vi) submit any transaction receipt for a transaction that was previously charged back to the Acquirer and subsequently returned to Sub-merchant, irrespective of cardholder approval, (vii) accept a Visa consumer credit card or commercial Visa product issued by an issuer to collect or refinance an existing debt, (viii) accept a card to collect or refinance an existing debt that has been deemed uncollectable, or (ix) submit a transaction that represents collection of a dishonored check. The Sub-merchant further agrees that, under no circumstance, will the Sub-merchant store cardholder data in violation of the Laws or the Rules including but not limited to the storage of track-2 data. Neither the Sub-merchant nor its Agents shall retain or store magnetic-stripe data subsequent to the authorization of a sales transaction.

3. Settlement. Upon receipt of the Sub-merchant's sales data for card transactions, the Acquirer will process the Sub-merchant's sales data to facilitate the funds transfer between the various Card Organizations and the Sub-merchant. After the Acquirer receives credit for such sales data, subject to the terms set forth herein, the Acquirer will fund the Sub-merchant, either directly to the Sub-merchant-Owned Designated Account (as defined below) or through Provider to an account designated by Provider ("**Provider Designated Account**"), at Acquirer's discretion, for such card transactions. The Sub-merchant agrees that the deposit of funds to the Provider Designated Account shall discharge Acquirer of its settlement obligation to the Sub-merchant and that any dispute regarding the receipt or amount of settlement shall be between the Provider and the Sub-merchant. The Acquirer will debit the Provider Designated Account for funds the owed to Acquirer as a result of the Services provided hereunder, provided that the Acquirer may also debit the Sub-merchant's designated demand deposit account (the "**Sub-merchant-Owned Designated Account**") upon receipt of such account information from the Sub-merchant or the Provider, or if the Acquirer deposits settlement funds into the Sub-merchant-Owned Designated Account. Further, if a cardholder disputes a transaction, if a transaction is charged back for any reason, or if the Acquirer reasonably believes a transaction is unauthorized or otherwise unacceptable, the amount of such transaction may be charged back and debited from either the Sub-merchant or the Provider.

4. Term and Termination. This Agreement shall be binding upon the Sub-merchant upon the Sub-merchant's execution. The term of this Agreement shall begin, and the terms of the Agreement shall be deemed accepted and binding upon the Acquirer, on the date the Acquirer accepts this Agreement by issuing a merchant identification number (MID), and shall be coterminous with the Provider's agreement with Sub-merchant.

Notwithstanding the foregoing, the Acquirer may immediately cease providing Services and/or terminate this Agreement without notice if (i) the Sub-merchant or the Provider fails to pay any amount to Acquirer when due, (ii) in the Acquirer's opinion provision of a service to the Sub-merchant or the Provider may be a violation of the Rules or any Laws, (iii) the Acquirer believes that the Sub-merchant has violated or is likely to violate the Rules or the Laws, (iv) the Acquirer determines the Sub-merchant poses a financial or regulatory risk to the Acquirer or a Card Organization, (v) the Acquirer's agreement with the Provider terminates, (vi) any Card Organization deregisters the Provider, (vii) the Acquirer ceases to be a member of the Card Organizations or fails to have the required licenses or (viii) the Acquirer is required to do so by any of the Card Organizations.

5. Limits of Liability. The Sub-merchant agrees to provide the Acquirer, via communication with the Provider, with a written notice of any alleged breach by the Acquirer of this Agreement, which notice will specifically detail such alleged breach, within thirty (30) days of the date on which the alleged breach first occurred. Failure to so provide notice shall be deemed an acceptance by the Sub-merchant and a waiver of any and all rights to dispute such breach.

EXCEPT FOR THOSE EXPRESS WARRANTIES MADE IN THIS AGREEMENT, ACQUIRER DISCLAIMS ALL WARRANTIES, INCLUDING, WITHOUT LIMITATION, ANY EXPRESS OR

IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. The Sub-merchant's sole and exclusive remedy for any and all claims against the Acquirer arising out of or in any way related to the transactions contemplated herein shall be termination of this Agreement. In the event that the Sub-merchant has any claim arising in connection with the Services, rights, and/or obligations defined in this Agreement, Sub-merchant shall proceed against the Provider and not against the Acquirer, unless otherwise specifically set forth in the Rules. In no event shall the Acquirer have any liability to the Sub-merchant with respect to this Agreement or the Services. The Sub-merchant acknowledges that (i) the Acquirer is only providing this Agreement to assist in Provider's processing relationship with the Sub-merchant, (ii) the Acquirer is not liable for any action or failure to act by the Provider and (iii) the Acquirer shall have no liability whatsoever in connection with any products or services provided to the Sub-merchant by the Provider. If the Provider is unable to provide its services to the Sub-merchant in connection with this Agreement and the Acquirer elects to provide those services directly, the Sub-merchant acknowledges and agrees that the provisions of this Agreement will no longer apply and the terms of Acquirer's then current merchant agreement, which would be provided to the Sub-merchant, will govern the Acquirer's relationship with the Sub-merchant. If the Provider subsequently provides its services to the Sub-merchant in connection with this Agreement, the Acquirer will cease to provide such services after receipt of notice from the Provider and this Agreement will govern the Acquirer's relationship with the Sub-merchant.

6. Miscellaneous. This Agreement and/or any non-contractual obligations arising from or in connection with it are subject to the laws of the Netherlands, without regard to conflicts of law provisions, and any dispute arising thereof that cannot be solved amicably shall be settled before the competent court of Amsterdam, The Netherlands. This Agreement may not be assigned by the Sub-merchant without the prior written consent of the Acquirer. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors, transferees and assignees. This Agreement is for the benefit of, and may be enforced only by, the Acquirer and the Sub-merchant and is not for the benefit of, and may not be enforced by, any other party. The Acquirer may amend this Agreement upon notice to Sub-merchant in accordance with Acquirer's standard operating procedure. If any provision of this Agreement is determined to be illegal or invalid, such illegality or invalidity of that provision will not affect any of the remaining provisions and this Agreement will be construed as if such provision is not contained in the Agreement. "**Acquirer**" as used in this Agreement shall mean a member of VISA and/or MasterCard, as applicable, that provides sponsorship services in connection with this Agreement. As of the commencement of this Agreement, the Acquirer shall be Payvision B.V., a private limited liability company (*besloten vennootschap met beperkte aansprakelijkheid*) organised under the laws of The Netherlands, having a registered office at Molenpad 2, 1016 GM Amsterdam, The Netherlands. The Acquirer is a party to this Agreement. The acquirer may be changed, and its rights and obligations assigned to another party by the Acquirer at any time without notice to Sub-merchant.

15. Reserve

- A. In addition to BlueSnap's holdback and rolling reserve rights in the Agreement, the Acquirer may require the Merchant to fund a cash reserve (**Reserve**) in an amount determined by the Acquirer to reflect the Acquirer's assessment of risk, as they may determine in their discretion from time-to-time. The Reserve is established by holding back Transaction proceeds or debiting the settlement account in order to potentially offset any obligations that the Merchant may have to the Acquirer. The Reserve is not a segregated fund that the Merchant may claim to own. The Acquirer is obligated to pay to the Merchant any amounts remaining from the Reserve after all other then-current and contingent liabilities or obligations related to the Company's payment transactions have expired (as provided for under the Card Organization Rules).
- B. The obligation of the Acquirer to settle Card Transactions will be fully discharged upon the crediting of the Transaction proceeds to the Reserve.
- C. The obligations due to the Merchant from the Reserve will not accrue interest unless required by applicable laws.
- D. The Acquirer will notify the Merchant if a Reserve is established (including its amount) or if the amount of the Reserve is modified.
- E. The Acquirer may set off any obligations that the Merchant owes to the Acquirers from the Reserve.
- F. Although the Merchant acknowledges that the Reserve is a general obligation of the Acquirer, and not a specifically identifiable fund, if any person claims that the Reserve is an asset of the Merchant that is held by the Acquirer, the Merchant grants and acknowledges that the Acquirer have a security interest in the Reserve and, at Acquirer request, will provide documentation to reflect this security interest.

16. Set-off

All funds that the Acquirer owes to the Merchant under this Agreement are subject to the Merchant's payment obligations under this Agreement. The Acquirer may set off amounts the Merchant owes to either or both of the Acquirer against any funds that either or both of the Acquirer owe to the Merchant.

17. Reporting.

If this Agreement is terminated for cause, Merchant acknowledge that Bank or Acquirer may be required to report your business name and the names and other identification of your principals to the Card Associations. Merchant expressly agree and consent to such reporting in the event Merchant is terminated as a result of the Acquirers or BlueSnap's termination for cause or for any reason specified by the Card Association(s) as cause. Furthermore, Merchant agrees to waive and hold us harmless from and against, any and all claims which you may have as a result of such reporting.

III. Applicable To Merchants Boarded With Vantiv As Acquirer (Canada only)

This MERCHANT SERVICES AGREEMENT FOR SUB-MERCHANTS (“Agreement”) is made among VANTIV, LLC, having its principal office at 8500 Governors Hill Drive, Symmes Township, OH 45249-1384 and its designated Acquirer Member Bank (collectively “Acquirer”) and BlueSnap Merchant (“Sub-merchant”) in connection with the agreement between Sub-merchant and Bluesnap, Inc. (“Provider”). Acquirer will provide Sub-merchant with certain payment processing services (“Services”) in accordance with the terms of this Agreement. In consideration of Sub-merchant’s receipt of credit or debit card funded payments, and participation in programs affiliated with MasterCard International Inc. (“MasterCard”), VISA International (“VISA”), and certain similar entities (collectively, “Associations”), Sub-merchant is required to comply with the Operating Regulations (defined below) as they pertain to applicable credit and debit card payments. In addition, if Sub-merchant meets certain requirements under the Operating Regulations or an Association or the Operating Regulations otherwise require, Sub-merchant may be required to enter into a direct relationship with an entity that is a member of the Associations. By executing this Agreement, Sub-merchant has fulfilled such requirement. However, Acquirer understands that Sub-merchant may have contracted with Provider to obtain certain processing services and that Provider may have agreed to be responsible to Sub-merchant for all or part of Sub-merchant’s obligations contained herein.

NOW, THEREFORE, in consideration of the foregoing recitals and of the mutual promises contained herein, the parties agree as follows:

1. **Certain Sub-merchant Responsibilities.** Sub-merchant agrees to comply, and to cause third parties acting as Sub-merchant’s agent (“Agents”) to comply, with the Association’s and other payment network’s by-laws, operating regulations and/or all other rules, policies and procedures, including but not limited to the Payment Card Industry Data Security Standard, the VISA Cardholder Information Security Program, the MasterCard Site Data Protection Program, and any other program or requirement that may be published and/or mandated by the Associations or payment networks (collectively "Operating Regulations"). Sub-merchant may review the VISA and MasterCard websites for a copy of the Visa and MasterCard regulations. The websites are: <http://www.visa.ca> and <http://www.mastercard.com/ca/merchant/en/index.html>. Sub-merchant agrees that; (i) MasterCard and VISA are the sole and exclusive owners of their respective trademarks and may prohibit the sub-merchant from using those trademarks for any reason, (ii) Sub-merchant will not contest ownership of MasterCard and VISA trademarks for any reason and (iii) Sub-merchant will not take actions that could interfere with or prevent MasterCard’s and VISA’s exercise of their respective rights in their trademarks. Sub-merchant also agrees that MasterCard and VISA have the right to enforce any provision of the respective card brand standards and prohibit the Sub-merchant or Provider from engaging in conduct that MasterCard and VISA deem could injure or create risk of injury to their respective brands.

Sub-merchant also agrees to comply with all applicable territorial, provincial, federal, and local laws, rules, and regulations and applicable voluntary codes of conduct (“Laws”). For purposes of this section, Agents include, but are not limited to, Sub-merchant’s software providers and/or equipment providers.

If appropriately indicated in Sub-merchant’s agreement with Provider, Sub-merchant may be a limited-acceptance merchant, which means that Sub-merchant has elected to accept only certain Visa and MasterCard card types (i.e., consumer credit, consumer debit, and commercial cards) and must display appropriate signage to indicate the same. Acquirer has no obligation other than those expressly

provided under the Operating Regulations and applicable law as they may relate to limited acceptance. Sub-merchant, and not Acquirer, will be solely responsible for the implementation of its decision for limited acceptance, including but not limited to policing the card type(s) accepted at the point of sale.

Sub-merchant shall only complete sales transactions produced as the direct result of bona fide sales made by Sub-merchant to cardholders, and is expressly prohibited from presenting sales transactions which are produced as a result of sales made by any person or entity other than Sub-merchant, or for any purposes related to any illegal or prohibited activity, including but not limited to money-laundering or financing of terrorist activities.

2. **Sub-merchant Prohibitions.** Sub-merchant must not i) require a cardholder to complete a postcard or similar device that includes the cardholder's account number, card expiration date, signature, or any other card account data in plain view when mailed, ii) add any tax to transactions, unless applicable law expressly requires that a Sub-merchant impose a tax (any tax amount, if allowed, must be included in the transaction amount and not collected separately), iii) request or use an account number for any purpose other than as payment for its goods or services, iv) disburse funds in the form of travelers checks if the sole purpose is to allow the cardholder to make a cash purchase of goods or services from Sub-merchant, v) disburse funds in the form of cash unless Sub-merchant is dispensing funds in the form of travelers checks, TravelMoney cards, or foreign currency (in such case, the transaction amount is limited to the value of the travelers checks, TravelMoney cards, or foreign currency, plus any commission or fee charged by the Sub-merchant), or Sub-merchant is participating in a cash back service, vi) submit any transaction receipt for a transaction that was previously charged back to the Acquirer and subsequently returned to Sub-merchant, irrespective of cardholder approval, vii) accept a Visa consumer credit card or commercial Visa product issued by a U.S. issuer to collect or refinance an existing debt, viii) accept a card to collect or refinance an existing debt that has been deemed uncollectable, ix) add any surcharges to transactions, unless applicable laws or regulations expressly require that a Merchant be permitted to impose a surcharge, any surcharge amount, if allowed, must be included in the transaction amount and not collected separately, or x) submit a transaction that represents collection of a dishonored check. Sub-merchant further agrees that, under no circumstance, will Sub-merchant store cardholder data in violation of the Laws or the Operating Regulations including but not limited to the storage of track-2 data. Neither Sub-merchant nor its Agent shall retain or store magnetic-stripe data subsequent to the authorization of a sales transaction.
3. **Settlement.** Upon receipt of Sub-merchant's sales data for card transactions, Acquirer will process Sub-merchant's sales data to facilitate the funds transfer between the various Associations and Sub-merchant. After Acquirer receives credit for such sales data, subject to the terms set forth herein, Acquirer will fund Sub-merchant through Provider to an account designated by Provider ("Provider Designated Account") for such card transactions. Sub-merchant agrees that the deposit of funds to the Provider Designated Account shall discharge Acquirer of its settlement obligation to Sub-merchant, and that any dispute regarding the receipt or amount of settlement shall be between Provider and Sub-merchant. Acquirer will debit the Provider Designated Account for funds owed to Acquirer as a result of the Services provided hereunder, provided that Acquirer may also debit Sub-merchant's designated demand deposit account ("Sub-merchant-Owned Designated Account") upon receipt of such account information from Sub-merchant or Provider, or if Acquirer deposits settlement funds into the Sub-merchant-Owned Designated Account. Further, if a cardholder disputes a transaction, if a transaction is charged back for any reason, or if Acquirer reasonably believes a transaction is unauthorized or otherwise unacceptable, the amount of such transaction may be charged back and debited from Sub-merchant or Provider.
4. **Term and Termination.** This Agreement shall be binding upon Sub-merchant upon Sub-merchant's execution. The term of this Agreement shall begin, and the terms of the Agreement shall be deemed accepted and binding upon Acquirer, on the date Acquirer accepts this Agreement by issuing a merchant identification number, and shall be coterminous with Provider's agreement with Sub-merchant.

Notwithstanding the foregoing, Acquirer may immediately cease providing Services and/or terminate this Agreement without notice if (i) Sub-merchant or Provider fails to pay any amount to Acquirer when due, (ii) in Acquirer's opinion, provision of a service to Sub-merchant or Provider may be a violation of the Operating Regulations or any Laws, (iii) Acquirer believes that Sub-merchant has violated or is likely to violate the Operating Regulations or the Laws, (iv) Acquire determines Sub-

merchant poses a financial or regulatory risk to Acquirer or an Association, (v) Acquirer's agreement with Provider terminates, (vi) any Association deregisters Provider, (vii) Acquirer ceases to be a member of the Associations or fails to have the required licenses, or (viii) Acquirer is required to do so by any of the Associations.

5. **Limits of Liability.** Sub-merchant agrees to provide Acquirer, via a communication with Provider, with written notice of any alleged breach by Acquirer of this Agreement, which notice will specifically detail such alleged breach, within thirty (30) days of the date on which the alleged breach first occurred. Failure to so provide notice shall be deemed an acceptance by Sub-merchant and a waiver of any and all rights to dispute such breach.

EXCEPT FOR THOSE EXPRESS WARRANTIES MADE IN THIS AGREEMENT, ACQUIRER DISCLAIMS ALL WARRANTIES, INCLUDING, WITHOUT LIMITATION, ANY EXPRESS OR IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Sub-merchant's sole and exclusive remedy for any and all claims against Acquirer arising out of or in any way related to the transactions contemplated herein shall be termination of this Agreement. In no event shall Acquirer have any liability to Sub-merchant with respect to this Agreement or the Services. Sub-merchant acknowledges Acquirer is only providing this Agreement to assist in Provider's processing relationship with Sub-merchant, that Acquirer is not liable for any action or failure to act by Provider, and that Acquirer shall have no liability whatsoever in connection with any products or services provided to Sub-merchant by Provider. If Provider is unable to provide its services to Sub-merchant in connection with this Agreement and Acquirer elects to provide those services directly, Sub-merchant acknowledges and agrees that the provisions of this Agreement will no longer apply and the terms of Acquirer's then current Bank Card Merchant Agreement, which would be provided to Sub-merchant, will govern Acquirer's relationship with Sub-merchant. If Provider subsequently provides its services to Sub-merchant in connection with this Agreement, Acquirer will cease to provide such services after receipt of notice from Provider and this Agreement will govern Acquirer's relationship with Sub-merchant.

Miscellaneous. This Agreement shall be governed by, and construed and enforced in accordance with, the laws of Ontario and the laws of Canada applicable therein without regard to conflicts of law provisions. This Agreement may not be assigned by Sub-merchant without the prior written consent of Acquirer. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors, transferees and assignees. This Agreement is for the benefit of, and may be enforced only by, Acquirer and Sub-merchant and is not for the benefit of, and may not be enforced by, any other party. Acquirer may amend this Agreement upon notice to Sub-merchant in accordance with Acquirer's standard operating procedure. If any provision of this Agreement is determined to be illegal or invalid, such illegality or invalidity of that provision will not affect any of the remaining provisions and this Agreement will be construed as if such provision is not contained in the Agreement "Member Bank" as used in this Agreement shall mean a member of VISA, MasterCard and/or other acceptance networks, as applicable, that provides sponsorship services in connection with this Agreement. As of the commencement of this Agreement, Member Bank shall be Peoples Trust Company, located in Vancouver, British Columbia. The Member Bank is a party to this Agreement. The Member Bank may be changed, and its rights and obligations assigned to another party by Acquirer at any time without notice to Sub-merchant. Any complaints with respect to Vantiv, LLC may be directed to Vantiv, LLC, Attn. Legal Department, 8500 Governors Hill Drive, Symmes Township, OH 45249. Any complaints with respect to Member Bank may be directed to Peoples Trust Company at 888 Dunsmuir Street, Vancouver, BC V6C 3K4. The parties hereby acknowledge that they have required these agreements and all related documents to be drawn up in the English language.

Les parties reconnaissent avoir demandé que le présent contrat ainsi que les documents qui s'y rattachent soient rédigés en langue anglaise.

The Acquirer has no obligation other than those expressly provided under the Rules and applicable law as they may relate to limited acceptance. The Sub-merchant, and not the Acquirer, will be solely responsible for the implementation of its decision for limited acceptance, including but not limited to policing the card type(s) accepted at the point of sale.

The Sub-merchant shall only complete sales transactions produced as the direct result of bona fide sales made by the Sub-merchant to cardholders, and is expressly prohibited from presenting sales transactions which are produced as a result of sales made by any person or entity other than the Sub-merchant, or for any purposes related to any illegal or prohibited activity, including but not limited to money-laundering or financing of terrorist activities.

The Sub-merchant may set a minimum transaction amount to accept a card that provides access to a credit account, under the following conditions: (i) the minimum transaction amount does not differentiate between card issuers and (ii) the minimum transaction amount does not differentiate between MasterCard, Visa, or any other acceptance brand. The Sub-merchant may set a maximum transaction amount to accept a card that provides access to a credit account, provided that the maximum transaction amount does not differentiate between MasterCard, Visa, or any other

acceptance brand.

2. **Sub-merchant Prohibitions.** Sub-merchant must not (i) require a cardholder to complete a postcard or similar device that includes the cardholder's account number, card expiration date, signature or any other card account data in plain view when mailed, (ii) add any tax to transactions, unless applicable law expressly requires that the Sub-merchant impose a tax (any tax amount, if allowed, must be included in the transaction amount and not collected separately), (iii) request or use an account number for any purpose other than as payment for its goods or services, (iv) disburse funds in the form of travelers checks if the sole purpose is to allow the cardholder to make a cash purchase of goods or services from Sub-merchant, (v) disburse funds in the form of cash unless Sub-merchant is participating in a cash back service, (vi) submit any transaction receipt for a transaction that was previously charged back to the Acquirer and subsequently returned to Sub-merchant, irrespective of cardholder approval, (vii) accept a Visa consumer credit card or commercial Visa product issued by an issuer to collect or refinance an existing debt, (viii) accept a card to collect or refinance an existing debt that has been deemed uncollectable, or (ix) submit a transaction that represents collection of a dishonored check. The Sub-merchant further agrees that, under no circumstance, will the Sub-merchant store cardholder data in violation of the Laws or the Rules including but not limited to the storage of track-2 data. Neither the Sub-merchant nor its Agents shall retain or store magnetic-stripe data subsequent to the authorization of a sales transaction.
3. **Settlement.** Upon receipt of the Sub-merchant's sales data for card transactions, the Acquirer will process the Sub-merchant's sales data to facilitate the funds transfer between the various Card Organizations and the Sub-merchant. After the Acquirer receives credit for such sales data, subject to the terms set forth herein, the Acquirer will fund the Sub-merchant, either directly to the Sub-merchant-Owned Designated Account (as defined below) or through Provider to an account designated by Provider ("**Provider Designated Account**"), at Acquirer's discretion, for such card transactions. The Sub-merchant agrees that the deposit of funds to the Provider Designated Account shall discharge Acquirer of its settlement obligation to the Sub-merchant and that any dispute regarding the receipt or amount of settlement shall be between the Provider and the Sub-merchant. The Acquirer will debit the Provider Designated Account for funds the owed to Acquirer as a result of the Services provided hereunder, provided that the Acquirer may also debit the Sub-merchant's designated demand deposit account (the "**Sub-merchant-Owned Designated Account**") upon receipt of such account information from the Sub-merchant or the Provider, or if the Acquirer deposits settlement funds into the Sub-merchant-Owned Designated Account. Further, if a cardholder disputes a transaction, if a transaction is charged back for any reason, or if the Acquirer reasonably believes a transaction is unauthorized or otherwise unacceptable, the amount of such transaction may be charged back and debited from either the Sub-merchant or the Provider.
4. **Term and Termination.** This Agreement shall be binding upon the Sub-merchant upon the Sub-merchant's execution. The term of this Agreement shall begin, and the terms of the Agreement shall be deemed accepted and binding upon the Acquirer, on the date the Acquirer accepts this Agreement by issuing a merchant identification number (MID), and shall be coterminous with the Provider's agreement with Sub-merchant.

Notwithstanding the foregoing, the Acquirer may immediately cease providing Services and/or terminate this Agreement without notice if (i) the Sub-merchant or the Provider fails to pay any amount to Acquirer

when due, (ii) in the Acquirer's opinion provision of a service to the Sub-merchant or the Provider may be a violation of the Rules or any Laws, (iii) the Acquirer believes that the Sub-merchant has violated or is likely to violate the Rules or the Laws, (iv) the Acquirer determines the Sub-merchant poses a financial or regulatory risk to the Acquirer or a Card Organization, (v) the Acquirer's agreement with the Provider terminates, (vi) any Card Organization deregisters the Provider, (vii) the Acquirer ceases to be a member of the Card Organizations or fails to have the required licenses or (viii) the Acquirer is required to do so by any of the Card Organizations.

5. **Limits of Liability.** The Sub-merchant agrees to provide the Acquirer, via communication with

the Provider, with a written notice of any alleged breach by the Acquirer of this Agreement, which notice will specifically detail such alleged breach, within thirty (30) days of the date on which the alleged breach first occurred. Failure to so provide notice shall be deemed an acceptance by the Sub-merchant and a waiver of any and all rights to dispute such breach.

EXCEPT FOR THOSE EXPRESS WARRANTIES MADE IN THIS AGREEMENT, ACQUIRER DISCLAIMS ALL WARRANTIES, INCLUDING, WITHOUT LIMITATION, ANY EXPRESS OR IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

The Sub-merchant's sole and exclusive remedy for any and all claims against the Acquirer arising out of or in any way related to the transactions contemplated herein shall be termination of this Agreement. In the event that the Sub-merchant has any claim arising in connection with the Services, rights, and/or obligations defined in this Agreement, Sub-merchant shall proceed against the Provider and not against the Acquirer, unless otherwise specifically set forth in the Rules. In no event shall the Acquirer have any liability to the Sub-merchant with respect to this Agreement or the Services. The Sub-merchant acknowledges that (i) the Acquirer is only providing this Agreement to assist in Provider's processing relationship with the Sub-merchant, (ii) the Acquirer is not liable for any action or failure to act by the Provider and (iii) the Acquirer shall have no liability whatsoever in connection with any products or services provided to the Sub-merchant by the Provider. If the Provider is unable to provide its services to the Sub-merchant in connection with this Agreement and the Acquirer elects to provide those services directly, the Sub-merchant acknowledges and agrees that the provisions of this Agreement will no longer apply and the terms of Acquirer's then current merchant agreement, which would be provided to the Sub-merchant, will govern the Acquirer's relationship with the Sub-merchant. If the Provider subsequently provides its services to the Sub-merchant in connection with this Agreement, the Acquirer will cease to provide such services after receipt of notice from the Provider and this Agreement will govern the Acquirer's relationship with the Sub-merchant.

6. **Miscellaneous.** This Agreement and/or any non-contractual obligations arising from or in connection with it are subject to the laws of the Netherlands, without regard to conflicts of law provisions, and any dispute arising thereof that cannot be solved amicably shall be settled before the competent court of Amsterdam, The Netherlands. This Agreement may not be assigned by the Sub-merchant without the prior written consent of the Acquirer. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors, transferees and assignees. This Agreement is for the benefit of, and may be enforced only by, the Acquirer and the Sub-merchant and is not for the benefit of, and may not be enforced by, any other party. The Acquirer may amend this Agreement upon notice to Sub-merchant in accordance with Acquirer's standard operating procedure. If any provision of this Agreement is determined to be illegal or invalid, such illegality or invalidity of that provision will not affect any of the remaining provisions and this Agreement will be construed as if such provision is not contained in the Agreement. "Acquirer" as used in this Agreement shall mean a member of VISA and/or MasterCard, as applicable, that provides sponsorship services in connection with this Agreement. As of the commencement of this Agreement, the Acquirer shall be Home Trust Company organised under the laws of Canada, having a registered office at 145 King Street West, Suite 2400, Toronto, Ontario M5H 1J8 Canada, The Netherlands. The Acquirer is a party to this Agreement. The acquirer may be changed, and its rights and obligations assigned to another party by the Acquirer at any time without notice to Sub-merchant.

V. Applicable To Merchants Boarded With Wells Fargo Bank, N.A. As Acquirer (Canada only)

Bank Phone Number: 515-557-1397

Important Member Bank Responsibilities

- The Bank is the only entity approved to extend acceptance of VISA and MasterCard products directly to a merchant.
- The Bank must be a principal (signer) to the Merchant Agreement.
- The Bank is responsible for educating Merchants on pertinent VISA and MasterCard Rules with which Merchants must comply; but this information may be provided to you by BlueSnap or Processor.
- The Bank is responsible for and must provide settlement funds to the BlueSnap or Processor, for distribution to the Merchant or directly to the Merchant.
- The Bank is responsible for all funds held in reserve that are derived from settlement.

Important Merchant Responsibilities

- In the event Merchant obtains card information, ensure compliance with cardholder information security and storage requirements.
- Review and understand the terms of the Agreement.
- Comply with Card Association Rules.
- Retain a signed copy of this Disclosures Page.

Background, Roles and Responsibilities

1. Background. Merchant and BlueSnap entered into a BlueSnap Merchant Agreement (including the BlueSnap Merchant Terms and Conditions) (**Agreement**) that allows BlueSnap to act as a payment facilitator for authorization, processing, and settlement services (**Merchant Acquiring Services**). The Card Associations Rules require Wells Fargo Bank, N.A. Canadian Branch (**Bank**) to have a direct agreement with Merchant once the Merchant's annual transaction volume exceeds a certain amount. To facilitate this requirement, BlueSnap, Processor (defined below) and Bank (Processor and Bank, collectively referred to as **Acquirers**) have included additional terms and conditions in this Exhibit 6 that will become a part of the Agreement.

1. BlueSnap. BlueSnap will facilitate the provision of the Merchant Acquiring Services outlined in the Agreement, including, supporting chargebacks, reporting, status changes, and questions about the Merchant Acquiring Services.

2. Processor. First Data Canada Ltd. (Processor), and/or BlueSnap through a separate agreement between Processor and BlueSnap, will provide the Merchant Acquiring Services to Merchant.

3. Bank. Bank is the member of Visa and MasterCard that sponsors BlueSnap, Processor and Merchant's acceptance of Visa and MasterCard transactions. As between Bank and Processor and Bank and BlueSnap, only Bank is approved to extend acceptance of Visa and MasterCard transactions directly to Merchant. Bank is responsible for providing BlueSnap (as allowed by the Card Association Rules) or Merchant with settlement funds for Visa and MasterCard transactions. As the member of the Card Associations, Bank is responsible (either directly or through Processor or BlueSnap) for advising Merchant of the Card Association Rules that Merchant must follow. The Merchant Processing Services that you receive from any Card Association other than Visa and MasterCard are provided by BlueSnap and/or Processor and not by Bank.

Additional Terms and Conditions

4. Reserve.

In addition to BlueSnap's holdback and rolling reserve rights in the Agreement, the Acquirers may require the Merchant to fund a cash reserve (**Reserve**) in an amount that reflects the Acquirers' assessment of risk, as they may determine in their discretion from time-to-time. The Reserve is a payment obligation of the Acquirers, established by holding back transaction proceeds or debiting the Settlement Account in order to potentially offset any obligations that the Merchant may have to the Acquirers. The Reserve is not a segregated fund that the Merchant may claim to own. The Acquirers are obligated to pay to the Merchant

any amounts remaining from the Reserve after all other then-current and contingent liabilities or obligations related to the Merchant's payment transactions have expired (as provided for under the Network Rules).

4.1. The obligations due to the Merchant from the Reserve will not accrue interest unless required by applicable laws.

4.2. The Acquirers will notify the Merchant if a Reserve is established (including its amount) or if the amount of the Reserve is modified.

4.3. The Acquirers may set off any obligations that the Merchant owes to the Acquirers from the Reserve.

4.4. Although the Merchant acknowledges that the Reserve is a general obligation of the Acquirers, and not a specifically identifiable fund, if any person claims that the Reserve is an asset of the Merchant that is held by the Acquirers, the Merchant grants and acknowledges that the Acquirers have a security interest in the Reserve and, at Acquirers request, will provide documentation to reflect this security interest.

5. Set-off. All funds that the Acquirers owe to the Merchant under this Agreement are subject to the Merchant's payment obligations under this Agreement. The Acquirers may set off amounts the Merchant owes to either or both of the Acquirers against any funds that either or both of the Acquirers owe to the Merchant.

6. Assignment. Acquirers may each, in whole or in part, assign or transfer the Agreement or this Exhibit 5 or delegate or subcontract its respective rights, duties, or obligations under the Agreement or this Exhibit 5 without Merchant or BlueSnap's consent. Merchant further acknowledge that another financial institution may be substituted for Bank with respect to Bank's obligation.

7. Third Party Beneficiary to the Agreement. In the **United States (Territory)** Processor and Bank are direct and intended third party beneficiaries to the Agreement, and may enforce their rights (i.e., confidentiality, indemnification, liability limitations, compliance, and data security, and third party fees) directly against Merchant without objection based on lack of privity or any similar claim.

8. Termination. In addition to the termination rights in the Agreement, Bank and/or Processor may terminate the Agreement without advance notice for any other reason, without cause.

9. Reporting. If this Agreement is terminated for cause, Merchant acknowledge that Bank or Processor may be required to report your business name and the names and other identification of your principals to the Card Associations. Merchant expressly agree and consent to such reporting in the event Merchant is terminated as a result of the Acquirers or BlueSnap's termination for cause or for any reason specified by the Card Association(s) as cause. Furthermore, Merchant agrees to waive and hold us harmless from and against, any and all claims which you may have as a result of such reporting.

10. Arbitration.

10.1. This arbitration provision will be broadly interpreted. If Merchant has a dispute with Processor or Bank that cannot be resolved informally, Merchant or Bank or Processor may elect to arbitrate that dispute in accordance with the terms of this arbitration provision rather than litigate the dispute in court. In arbitration, there is no judge or jury, and there is less discovery and appellate review than in court.

10.2. Notwithstanding Section 11.1, the parties agree that the following will not be subject to arbitration: (a) disputes relating to the scope, validity, or enforceability of this arbitration provision; (b) any claim filed by either party in which the amount in controversy is properly within the jurisdiction of a small claims court; and (c) any dispute related to the validity of any party's intellectual property rights.

10.3. If a party elect to resolve the dispute through arbitration pursuant to this arbitration provision, the party initiating the arbitration proceeding must open a case with the American Arbitration Association - Case Filing Services, 1101 Laurel Oak Road, Suite 100, Voorhees, NJ 08043, 877-495-4185, www.adr.org.

10.4. A Claim that is not resolved directly between the parties within 90 days shall be resolved by arbitration as set out in this Section 10 and the National Arbitration Rules (the "Rules") of ADR Institute of Canada, Inc. (the "Administrator") or its successors or replacement Administrator. For a copy of the Rules, or for other information about the Administrator contact: ADR Institute, 234 Eglinton Avenue East, Suite 500, Toronto, Ontario M4P 1K5; e-mail admin@adrCanada.ca. If a party chooses arbitration to resolve a Claim, neither party may commence litigation in court in respect of such Claim. If there is a conflict between this arbitration provision and the Rules, this arbitration provision will govern. If the Rules will not administer a proceeding under this arbitration provision as written, it cannot serve as the arbitration organization to resolve your Dispute. If this situation arises, the parties will agree on a substitute arbitration

organization. If the parties are unable to agree, the parties will mutually petition a court of appropriate jurisdiction to appoint an arbitration organization that will administer a proceeding under this arbitration provision as written. If there is a conflict between this arbitration provision and the rest of this Agreement, this arbitration provision will govern.

10.5. A single arbitrator will resolve the dispute. The arbitrator will honor claims of privilege recognized by law and will take reasonable steps to protect your information and other confidential or proprietary information. If the claim alleged in the dispute is for \$10,000 or less, and the dispute is not excluded based on section 11.2 above, you may choose whether the arbitration will be conducted solely based on documents submitted to the arbitrator, through a telephonic hearing, or by an in-person hearing under the rules of the selected arbitration organization. The arbitrator will make any award in writing but need not provide a statement of reasons unless requested by a party. An award rendered by the arbitrator may be entered in any court having jurisdiction over the parties for purposes of enforcement.

10.6. If an award granted by the arbitrator exceeds \$50,000, either party can appeal that award to a three-arbitrator panel administered by the same arbitration organization by a written notice of appeal filed within thirty (30) days from the date of entry of the written arbitration award. The arbitration organization will then notify the other party that the award has been appealed. The members of the three-arbitrator panel will be selected according to the Rules. The three-arbitrator panel will issue its decision within one hundred and twenty (120) days of the date of the appealing party's notice of appeal. The decision of the three-arbitrator panel will be final and binding.

10.7. ALL PARTIES TO AN ARBITRATION MUST BE INDIVIDUALLY NAMED. THERE WILL BE NO RIGHT OR AUTHORITY FOR ANY CLAIMS TO BE ARBITRATED OR LITIGATED ON A CLASS ACTION, JOINT, OR CONSOLIDATED BASIS OR ON A BASIS INVOLVING CLAIMS BROUGHT IN A PURPORTED REPRESENTATIVE CAPACITY ON BEHALF OF THE GENERAL PUBLIC (SUCH AS A PRIVATE ATTORNEY GENERAL), OTHER CLIENTS, OR OTHER PERSONS.

10.8. The arbitrator may award injunctive or similar relief only in favor of the individually named party and only to the extent necessary to provide relief warranted by that individual party's claim. The arbitrator may not award injunctive relief applicable to any class or similarly situated individual or groups.

10.9. The arbitration will take place in the Province of Ontario.

10.10. Acquirers will pay arbitration filing fees and arbitrator's costs and expenses notified to Acquirers prior to the commencement of the arbitration. Merchant is responsible for all additional costs that you incur in the arbitration, including fees for attorneys or expert witnesses. If the arbitration is resolved in our favor, Merchant will reimburse us for the filing fees and costs paid to Merchant only up to the extent awardable in a judicial proceeding. If the arbitration is resolved in Merchant's favor Merchant will not be required to reimburse Acquirers for any of the fees and costs paid by Acquirers. Notwithstanding anything to the contrary in this arbitration provision, Acquirers will pay all fees and costs that Acquirers are required by law to pay.

10.11. IF MERCHANT DOES NOT WISH TO ARBITRATE DISPUTES, MERCHANT MUST NOTIFY ACQUIRERS IN WRITING WITHIN 30 DAYS OF THE DATE THAT MERCHANT FIRST RECEIVE THIS AGREEMENT BY WRITING MERCHANT'S NAME, ADDRESS AND ACCOUNT NUMBER AS WELL AS A CLEAR STATEMENT THAT MERCHANT DOES NOT WISH TO RESOLVE DISPUTES THROUGH ARBITRATION AND SENDING THAT NOTICE EITHER (a) BY E-MAIL TO ARBITRATIONOPTOUT@FIRSTDATA.COM; (b) BY FAX AT 402-916-2200; or (c) BY MAILING TO "ARBITRATION OPT OUT NOTICE, 3975 N.W. 120TH AVENUE, CORAL SPRINGS, FL 33065 (THESE FAX NUMBERS AND ADDRESSES ARE ONLY FOR SUBMITTING THE NOTICE DESCRIBED IN THIS SECTION). MERCHANT'S DECISION TO OPT OUT OF ARBITRATION WILL HAVE NO ADVERSE EFFECT ON YOUR ELATIONSHIP WITH ACQUIRERS OR THE SERVICES PROVIDED BYTHE ACQUIRERS.

10.12. If any part of Section 11.7 is found to be illegal or unenforceable, the entire arbitration provision will be unenforceable, and the dispute will be decided by a court. If any other clause in this arbitration provision is found to be illegal or unenforceable, that clause will be severed from this arbitration provision, and the remainder of this arbitration provision will be given full force and effect.

10.13. MERCHANT, PROCESSOR, BANK AND BLUESNAP EACH HAVE AGREED TO WAIVE THE RIGHT TO TRIAL BY JURY.

11. Choice of Law. If the parties elect to forgo arbitration, or if any dispute is decided by a court as allowed in Section 11.12, the parties acknowledge and agree that all disputes and this Agreement will be

governed by the Province of Ontario law (exclusive of conflicts and choice of law rules calling for a different result.

12. Notices. For purposed of this Territory, notice to Processor will be sent to: First Data Canada Ltd., Attention: President, 2630 Skymark Ave., Suite 400, Mississauga, Ontario, L4W 5A4, with a copy to: First Data Merchant Services LLC, Attn: General Counsel's Office, 6855 Pacific Street, AK-32, and Omaha, NE 68106. Emailed notices to First Data will be sent to: legalpapers@firstdata.com; and notices to Bank as described on page 1 of this Exhibit 5

13. Any capitalized terms used in this Exhibit 5 and not specifically defined in this Exhibit 5, are given the meaning ascribed to them in the Agreement.

14. English Language. The parties hereby confirm their express wish that any documents and notices related thereto be drawn up in English and declare themselves to be satisfied therewith, the whole, however, without prejudice to any documents which may from time to time be drawn up in French and English. *Par les présentes, les parties confirment qu'elles souhaitent expressément que cette convention et tous les documents et avis connexe soient rédigés en anglais; elles s'en déclarent satisfaites sans préjudice, toutefois, à tout document ou avis qui pourrait, de temps à autre, être rédigé à la fois en français et en anglais.*

15. Merchant's Termination Without Cause. In the event Processor notifies Merchant of: (i) an increase in or any additional fees (subject to 90 days prior written notice); (ii) a material change to the terms the services none of which were previously negotiated and agreed to by the parties, Merchant understands that it may terminate the Agreement without further cause or penalty by providing Processor 30 days' written notice prior to the effective date of such modification. Merchant agrees that continued use of the services, after the effective date of any modification constitutes acceptance throughout the initial or any renewal term of the Agreement. Merchant agrees that upon delivery of its notice of termination, it will fund its Reserve Account as set forth in section 4.

16. Pre-Notificaton Requirement. You hereby waive the "Pre-notification/Confirmation" requirements set out in Appendix II of Rule H1 ("Pre-authorized Debits") of the Canadian Payments Association. The statements made in your Agreement are true. You acknowledge having read your Agreement, and agree to be bound by all provisions printed herein.

2. General Terms and Conditions

Except as explicitly provided for in these Terms and Conditions, each party’s rights and obligations under these Terms and Conditions shall be governed by the PLA, the terms and conditions of which are hereby incorporated herein by reference. In furtherance of the foregoing and not

limitation: (a) Apple’s license, and Your use, of the Apple Pay Web APIs under these Terms and Conditions shall be subject to the terms and conditions of the PLA governing Apple Software, Apple SDKs and Apple Pay APIs; and (b) Your use of the Apple Pay Platform shall be subject to the terms and conditions of the PLA governing Apple Services. You acknowledge and agree that the software and services provided by Apple under these Terms and Conditions will be considered part of the Program (as referenced in the PLA), and that the Websites will be considered Covered Products under the PLA. In applying the terms and conditions of the PLA to these Terms and Conditions, all references to “this Agreement” as used in the PLA shall include these Terms and Conditions.

In the event of a direct conflict between the terms of the PLA and these Terms and Conditions, the terms of the PLA shall prevail except as explicitly set forth in these Terms and Conditions with respect to Apple Pay Web APIs, Websites, and the Apple Pay Platform (*provided, however*, that the PLA is not intended to prevent You from exercising any rights granted to You solely with respect to Apple Pay Web APIs, Websites, and the Apple Pay Platform in these Terms and Conditions in accordance with the terms and conditions set forth herein).

Notwithstanding the foregoing, You acknowledge and agree that a conflict between these Terms and Conditions and the PLA shall not exist where the PLA sets forth terms or conditions applicable to a subject matter that is not addressed by these Terms and Conditions.

3. Program. Subject to these Terms and Conditions, Apple shall make the Apple Pay Web APIs available to You to the extent required for You to facilitate payment transactions using the Apple Pay Platform from or through Your Websites (the “Program”).

4. Apple Pay Web APIs

4.1 Apple Pay Web APIs. Your right to access and use the Apple Pay Web APIs is subject to these Terms and Conditions and the PLA. For purposes of applying the terms and conditions of the PLA to these Terms and Conditions, all references to “Apple Pay APIs” in the PLA shall mean the Apple Pay Web APIs, and all references to “Merchants” in the PLA shall mean You. Where applicable (including for the avoidance of doubt and without limitation Sections 3.2, 3.3.9, 3.3.10, 3.3.11, 3.3.42 and 3.3.43 of the PLA), all references to “Your Application” in the PLA shall mean “the Websites”, and all references to “iOS Product” or “Apple Watch” in the PLA shall also include “macOS Product”. For the avoidance of doubt, all references to the term “Apple Pay Payload” in the PLA shall include any customer data package passed through the Apple Pay Web APIs as part of a payment transaction (e.g., name, email, billing address, shipping address, and device account number), and all references to the term “Intermediary Party” in the PLA shall include Platform Provider.

4.2 License Grant. Subject to the terms and conditions of these Terms and Conditions, Apple hereby grants to You during the Term, a limited, non-exclusive, personal, revocable, non-sublicensable and non-transferable license to use and incorporate the Apple Pay Web APIs into Your Websites solely for the purpose of facilitating Apple Pay Platform transactions that are made from or through Your Websites.

4.3 Use Restrictions. In addition to the restrictions set forth in Section 2.6 of the PLA, the license granted pursuant to Section 4.2 above is expressly conditioned upon Your and Your Affiliates’ compliance with all of the following requirements:

- (a) You agree to comply with the Apple Pay Web Guidelines;
- (b) You agree not to use the ‘CanMakePaymentWithActiveCard’ API, except for the sole purpose of (i) displaying the “Apple Pay” button upstream; (ii) presenting the Apple Pay Platform as a default payment option or as a payment option in checkout when no other Comparable Platforms are available on the Websites; or (iii) enabling users to set up the Apple Pay Platform. In addition, on any webpage where a Comparable Platform is offered, You agree to call the ‘CanMakePayment’ API, and if a user has a device capable of supporting the Apple Pay Platform, then You agree to also offer the Apple Pay Platform as a payment option on the same webpage of such Websites;
- (c) Your Websites may collect donations for nonprofits only after You have received written approval. Any collection of such donations through Your Websites must be in compliance with all Applicable Laws (which may include providing a receipt), and must fulfill all applicable regulation or registration requirements, in the country or territory where You enable such donation to be made. If You are collecting donations on behalf of third party nonprofits, You are responsible for ensuring that such third party nonprofits are in compliance with the criteria provided to You, as the same may be updated from time to time (the “Nonprofit Criteria”). If any

third party nonprofit fails to meet the Nonprofit Criteria, then You must immediately cease collecting donations on behalf of such non-compliant third party nonprofit.

(d) Your Websites must:

(i) not contain any malware, malicious or harmful code, or other internal component (e.g. computer viruses, trojan horses, “backdoors”), which could damage, destroy, or adversely affect Apple hardware, software or services, or other third party software, firmware, hardware, data, systems, services, or networks;

(ii) not interfere with security, user interface, user experience, features or functionality of Safari, macOS, or other Apple Products; or

(iii) not disable, override or otherwise interfere with any Apple-implemented system alerts, warnings, display panels, consent panels and the like, including, but not limited to, those that are intended to notify the user that the user's location data, address book data, calendar, photos, audio data, and/or reminders are being collected, transmitted, maintained, processed or used, or intended to obtain consent for such use;

(e) if any Website includes any Public Software, You agree to comply with all licensing terms applicable to such Public Software. You agree not to use, or authorize the use of, any Public Software in the development of the Websites in such a way that would cause the non-Public Software portions of the Apple Pay Web APIs or Apple Pay Platform to be subject to any Public Software licensing terms or obligations;

(f) if Apple makes available new versions of the Apple Pay Web APIs for any reason, including without limitation to address a security breach or security vulnerability regarding Personal Data, update the customer experience, or provide additional features or functionality, then You agree to update all of Your Websites to incorporate such new version within a reasonable time period; and

(g) You agree not to disadvantage or discriminate against Apple relative to other Comparable Platforms with respect to the display and availability the Apple Pay Platform from or through the Websites. For the avoidance of doubt, the “Apple Pay” button must be displayed as a payment option on Your Websites on parity with any other Comparable Platform. In addition, You will not process or decline transactions, establish transaction, authentication, or other limits applicable to Websites, or implement, suspend, or discontinue Websites in a manner that discriminates against transactions on the basis of their participation in the Program.

If You or Your Affiliates breach any of the foregoing restrictions, You may be subject to prosecution and damages. All licenses not expressly granted in these Terms and Conditions are reserved and no other licenses, immunity or rights, express or implied are granted by Apple, by implication, estoppel, or otherwise.

(b) Apple does not guarantee the availability, accuracy, completeness, reliability, or timeliness of any data or information displayed in connection with the Apple Pay Platform. To the extent You choose to use the Apple Pay Platform with Your Websites, You are responsible for Your reliance on any such data or information. It is Your responsibility to maintain appropriate alternate backup of all content, information and data, including but not limited to any content that You may provide to Apple in connection with the Apple Pay Web APIs or Apple Pay Platform.

5. Platform Providers. Unless otherwise prohibited by Apple, You may employ or retain a Platform Provider to

assist You in using and incorporating the Apple Pay Web APIs into Websites pursuant to these Terms and Conditions, provided that any such Platform Provider's use of the Apple Pay Web APIs or any materials associated therewith, including Personal Data, is done solely on Your behalf and for Your purposes, and only in accordance with a separate written agreement between Apple and such Platform Provider. In the event of any actions or inactions by the Platform Provider that would constitute a violation of these Terms and Conditions or otherwise cause any harm, Apple reserves the right to require You to cease using such Platform Provider. In connection with Your use of a Platform Provider, You authorize such Platform Provider to (a) provide to Apple and its Affiliates certain reports that may contain data related to Your participation in the Program; and (b) disclose to Apple and its Affiliates information related to You and Your Websites in connection with these Terms and Conditions or the Program, including without limitation information about Your Websites and metadata (such disclosures referred to herein as "Merchant Disclosures"). You agree that Apple's use of such Merchant Disclosures will not be subject to any confidentiality obligations. Except as otherwise expressly set forth herein, Apple will be free to use and disclose any Merchant Disclosures on an unrestricted basis without notifying or compensating You. Waiver by either party of a breach of any provision contained herein must be in writing, and no such waiver will be construed as a waiver of any other and/or succeeding breach of such provision or a waiver of the provision itself.

The arbitration of any dispute or claim shall be conducted in accordance with the American Arbitration Association ("AAA") rules, as modified by this Agreement, and will take place in Chicago, Illinois, unless the Parties mutually agree to hold the proceedings elsewhere. This Agreement evidences a transaction in interstate commerce and this arbitration provision will be interpreted and enforced in accordance with the Federal Arbitration Act and federal arbitration law. An arbitrator may not award relief in excess of or contrary to what this Agreement provides or order consolidation or arbitration on a class wide or representative basis, except that the arbitrator may award on an individual basis damages required by statute and may order injunctive or declaratory relief pursuant to an applicable consumer protection statute. Any arbitration shall be confidential, and neither Party may disclose the existence, content or results of any arbitration, except as may be required by law or for purposes of enforcement of the arbitration award. Judgment on any arbitration award may be entered in any court having proper jurisdiction. All administrative fees and expenses will be divided equally between the Parties, but each Party will bear the expense of its own counsel, experts, witnesses and preparation and presentation of evidence at the arbitration. IF FOR ANY REASON THIS ARBITRATION CLAUSE IS DEEMED INAPPLICABLE OR INVALID, THE PARTIES WAIVE, TO THE FULLEST EXTENT ALLOWED BY

LAW, ANY RIGHT TO PURSUE ANY CLAIMS ON A CLASS OR CONSOLIDATED BASIS OR IN A REPRESENTATIVE CAPACITY. No action, regardless of form, arising out of or in conjunction with the subject matter of this Agreement, except for claims involving intellectual property and claims for indemnification, may be brought by either Party more than one (1) year after the cause of action arose.

15.8 Severability; Headings

If any provision of this Agreement is held to be invalid or unenforceable for any reason, the remaining provisions will continue in full force without being impaired or invalidated in any way. The parties agree to replace any invalid provision with a valid provision, which most closely approximates the intent and economic effect of the invalid provision. Headings are used for convenience of reference only and in no way define, limit, construe or describe the scope or extent of any section, or in any way affect this Agreement.

15.9 Force Majeure

Neither party will be liable for any losses arising out of the delay or interruption of its performance of obligations under the Agreement due to any acts of God, acts of civil or military authorities, civil disturbances, wars, strikes or other labor disputes, fires, transportation contingencies, interruptions in telecommunications, utility, Internet services or network provider services or other catastrophes or any other occurrences which are beyond such parties' reasonable control (each a "Force Majeure Event"), provided that the party delayed will provide the other party notice of any such delay or interruption as soon as reasonably practicable, will use commercially reasonable efforts to minimize any delays or interruptions resulting from the Force Majeure Event and in no event will any failure to pay any monetary sum due under this Agreement be excused for any Force Majeure Event.

Third Party Referrers

These additional definitions shall apply to this Appendix:

‘Third Party Referrers’ – Commissioned or paid referrers and marketers of Merchant.

‘Royalty Payment’ – Payments designated by a Merchant to be paid as a royalty through the BlueSnap Services to a third party in respect of qualifying transactions.

‘Royalty Recipients’ – Recipients of Royalty Payments.

1.1. Upon the express consent of BlueSnap, and if not in contravention of Card Association or Acquirer rules, Merchant may develop relationships with Third Party Referrers to promote on its behalf through BlueSnap. When engaging in such relationships, Merchant does so at its own risk and is solely responsible for checking the integrity of Third Party Referrers and their products. BlueSnap does not evaluate the background of such Third Party Referrers and their presence within the BlueSnap system does not indicate their trustworthiness or quality of product or service.

A Merchant shall not act as a Third Party Referrer in respect of any other BlueSnap Merchant or other BlueSnap Merchant’s products.

BlueSnap may in its sole discretion cease providing such Third Party Referrer features to Merchants and Third Party Referrers at any time upon written notice. Upon such cessation, the relevant provisions in this Agreement relating to Holdbacks and Reserve shall apply.

1.2. Merchant shall be responsible for the acts of its Third Party Referrers and BlueSnap is entitled to hold Merchant and Third Party Referrer jointly and severally liable for the acts of each of them. Should BlueSnap determine, in its reasonable opinion, that Merchant and Third Party Referrers are acting in concert in a manner that violates the terms of this Agreement, the BlueSnap acceptable use or privacy policies, BlueSnap may terminate this Agreement upon written notice to the Merchant.

1.3. In the event of any shortfalls in accounting to, from or between Merchant, Royalty Recipients and Third Party Referrers following cancellation, refund or Chargeback, BlueSnap may claim, or deduct, such shortfalls from monies held on account for behalf of the Merchant, Royalty Recipients and the appropriate Third Party Referrer, whether said monies are held by BlueSnap under this Agreement or other agreements with the same entity(ies).

1.4. Should BlueSnap deem it necessary to suspend or cease providing the BlueSnap Services to a party with whom the Merchant has a referral relationship, Merchant shall be responsible for resetting its Products within the BlueSnap System to reflect the resulting changes.

1.5. BlueSnap shall not be liable in any way for any claims resulting from Merchant’s relationship with Royalty Recipients and Third Party Referrers including liabilities or claims of negligence, breach of contract, misrepresentation, fraud or other misbehavior of one of these entities.

1.6. The parties to a Royalty Payment and/or Third Party Referrer relationship shall indemnify and hold BlueSnap, its directors, officers, agents, employees and representatives harmless from any claim or action against BlueSnap or its directors, officers, agents, employees and representatives, arising from such relationship.

1.7. The following sub-paragraph provisions shall apply to any party, engaging in Third Party Referrer sale transactions or the giving or receiving of a Royalty Payment:

1.7.1 Acceptance of Third Party Referrers and Set Up of Royalty Payments

Third Party Referrers may be required to undergo acceptance and risk clearance processes with respect to the Merchant and/or BlueSnap. Third Party Referrers may apply to promote the Products of the Merchant through the BlueSnap Services by pressing the "MARKETPLACE" button or equivalent, searching for the desired products, and pressing the "PROMOTE THIS PRODUCT" button or equivalent after having reviewed Products. If a Third Party Referrer’s application is approved by the Merchant, then (i) BlueSnap will notify Third Party Referrer by any means authorized by this Agreement, or by posting on the BlueSnap website (ii) Third Party Referrer and the Merchant will be deemed to have agreed to enter into a separate agreement with each other (the "**Referrer Agreement**") and (iii) Third Party Referrer will be approved for the Merchant and the relevant Product(s).

Merchant may opt to set up a Royalty Payment in the BlueSnap Services enabling a third party to receive a fixed sum or percentage payment on qualifying transactions. BlueSnap shall at all times have the absolute discretion whether or not to offer such functionality to Merchant and may cease to offer such service on 7 days' written notice.

1.7.2. Third Party Referrer Marketing Efforts

Third Party Referrer may market Merchant's Products subject to any applicable restrictions in the Merchant Agreement. Third Party Referrer may post links on its website or as otherwise permitted. If Merchant has any other advertising, marketing or promotional materials ("**Collateral Materials**") that may be used within the Marketplace Program, then Third Party Referrer may utilize these Collateral Materials when marketing Merchant's products. Notwithstanding the foregoing, Merchant may impose restrictions and guidelines on how Third Party Referrer may utilize Links or Collateral Materials by specifying such restrictions and guidelines in the Special Terms and/or Merchant Agreement. Third Party Referrers shall only use BuyNow links provided by Merchant.

1.7.3. Third Party Referrer Information Provided to Merchant

Third Party Referrers shall grant BlueSnap permission to provide Merchant with the non-personally identifiable demographic information concerning Third Party Referrer's website visitors, as well as Third Party Referrer's contact and basic account information such as Third Party Referrer's email address(es), mailing address, URL, telephone and fax number to the extent known by BlueSnap through the BlueSnap Sales Services.

1.7.4. Payment Obligations to Third Party Referrer and Royalty Recipients

Any compensation paid to Third Party Referrer or Royalty Recipient by BlueSnap shall be designated as being paid on behalf of the Merchant. BlueSnap's payment of compensation to a Third Party Referrer or Royalty Recipient does not create any obligations by BlueSnap to continue making payments; BlueSnap has no liability for same. If at any time the Merchant's funds in BlueSnap's possession are insufficient to satisfy any of Merchant's compensation obligations to Third Party Referrer or Royalty Recipient, or if BlueSnap does not make payment of earned compensation to Third Party Referrer or Royalty Recipient for any other reason, then Third Party Referrer's/and/or Royalty Recipient's sole and exclusive remedy shall be to assert a claim directly against the Merchant and Merchant shall indemnify and hold BlueSnap harmless against any such claims, damages and costs.

1.7.5. Effect of Chargebacks, Refunds and Deductions

Where Merchant requires compensation to be based on net receipts, it is understood that Chargebacks, Refunds or Deductions may occur after the month in which the respective Third Party Referrer has received compensation. In this event BlueSnap will compute these Chargebacks, Refunds or Deductions as charges against any future compensation owed to Third Party Referrer or Royalty Recipient, or deduct them from any balances in the Third Party Referrer's or Royalty Recipient's account with BlueSnap. Third Party Referrer will be liable for any outstanding negative balances that arise out of Chargebacks related to Third Party Referrer's sales. To the extent that the balances in the Third Party Referrer's or Royalty Recipient's account with BlueSnap under this Agreement are insufficient to cover the Chargebacks, Refunds or Deductions, BlueSnap is entitled to deduct the Chargebacks, Refunds or Deductions from sums held on account of the Third Party Referrer or Royalty Recipient under other agreements with BlueSnap. Merchant remains responsible at all times for Chargebacks, Refunds, Deductions or fines or penalties relating to its Third Party Referrer including any sums levied on BlueSnap or Merchant by Acquirer or Card Association.

BlueSnap may in its sole discretion suspend or terminate service to any Third Party Referrer or Royalty Recipient at any time on written notice without cause.

1.7.6. Timing and Method of Compensation

BlueSnap will calculate the compensation owed to Third Party Referrer and/or Royalty Recipient by Merchant, and thereafter pay such compensation to Third Party Referrer and/or Royalty Recipient conditioned on the Merchant having deposited sufficient funds with BlueSnap for such purpose (the "**Merchant Funds**"). Unless otherwise agreed to by BlueSnap in writing, Third Party Referrer and Royalty Recipient's first compensation shall be paid by the fifteenth day of the following month, except if the fifteenth day shall fall on a weekend, in which case distribution shall be on the next business day following Third Party Referrer's first non-refunded sale. Payment shall be made on a monthly basis via ACH payment unless otherwise specified.

1.7.7. Minimum Monthly Compensation

To the extent that the total amount of compensation owed to Third Party Referrer in any one month is less than one hundred (\$100) dollars, BlueSnap shall withhold the payment of compensation for that month until the total compensation reaches the one hundred (\$100) dollar minimum in a subsequent month.

1.7.8. Third Party Referrer Transaction Fee to BlueSnap

Third Party Referrer shall be charged a two (\$2.00) dollars (USD) Third Party Referrer fee to BlueSnap for each payment out made to Third Party Referrer by BlueSnap. This payout fee is in addition to any other applicable fees associated with the Third Party Referrer's chosen payment method.

1.7.9. Effect of Third Party Referrer Termination

Upon termination, all applicable rights, authorizations, licenses and sublicenses that were granted to Third Party Referrer by Merchant and/or BlueSnap will terminate, and Third Party Referrer will promptly cease use of any and all Links and Collateral Materials and any applicable references to the identities of Merchant, BlueSnap and Products. Merchant shall be responsible, at its sole expense, for making certain that Third Party Referrer ceases such use. Third Party Referrer will receive compensation regarding such terminated Merchant Products which accrued prior, but not after, the date of such termination.

Upon termination of services to Merchant or Third Party Referrer, BlueSnap shall be entitled to set Holdbacks and Reserves as it deems fit in accordance with this Agreement.

1.7.10. Governing Rules

BlueSnap may develop rules to govern the division of payments received and commissions, compensation, notifications, dispersal of Customer data information, refund and Chargebacks for such Third Party Referrer relationships. If the Merchant engages in such relationships it shall be bound by such rules, which shall be made available through the BlueSnap website.

1.7.11. When Merchant is setting Third Party Referrer Fee Rates for Third Party Referrers, the maximum rate shall be 75% of the set Product price. This limit shall also take into account the total allocated amount for Royalty Payments on the same contract. Third Party Referrer Fee Rates mean the commission fee that Merchant agrees to pay to Third Party Referrer or group of Third Party Referrers upon the completion of a BlueSnap sales transaction.

1.7.12. Disputes

In the event of disputes arising from or relating to this Agreement, the decision of BlueSnap's management officers as to resolution shall be final.

1.7.13. In accordance with Card Association requirements, Merchant shall ensure that Merchant's web site and that of any related Third Party Referrer together with any invoice issued by Merchant shall identify the ultimate merchant in respect of the relevant transaction.

Notwithstanding Section 4.1, Receiving Party shall not disclose Confidential Information of Disclosing Party, except to its employees, consultants or any third party having a legitimate business purpose with respect to the Agreement and having a need to know such Confidential Information. Prior to permitting access to the Confidential Information, Receiving Party shall inform such employees, consultants or any third party of the confidential nature of the Confidential Information and shall execute written agreements with its consultants or other third parties in form and substance reasonably acceptable to the Disclosing Party sufficient to enable it to comply with all the provisions of this Section. Such Receiving Party shall be responsible for any breach by its employees, consultants or third parties of the obligations of Receiving Party set forth in this Section 4.

4.3 Breach of Confidentiality. If any employee, officer, director, consultant, or agent of Receiving Party violates or threatens to violate the provisions of this Section 4, or if any third party obtains any Confidential Information through Receiving Party's breach of its obligations under this Section 4, then such Receiving Party shall take, at its own expense, all actions that may be required to remedy such violation, recover such Confidential Information and to prevent further dissemination or use of such Confidential Information, including, but not limited to, legal actions for seizure and injunctive relief, to the extent available under applicable law. If Receiving Party fails to take such actions in a timely and adequate manner, then Disclosing Party or its designee may take such actions in its own name or Receiving Party's name and at Receiving Party's expense. Each Party acknowledges that the other Party's Confidential Information contains valuable trade secrets and proprietary information of such Party, that any actual or threatened breach of this Section 4 shall constitute immediate, irreparable harm to such Party for which monetary damages would be an inadequate remedy, and that injunctive relief is an appropriate remedy for such breach.

4.4 Exclusions. Notwithstanding anything to the contrary in this Section 4, Confidential Information shall not include information which: (i) was already known to Receiving Party at the time of disclosure by Disclosing Party, and Receiving Party was under no obligation of confidentiality with respect to such information; (ii) is disclosed to Receiving Party by a third party who had the right to make such disclosure without any confidentiality restrictions; (iii) is, or through no fault of Receiving Party has become, generally available to the public; or (iv) is independently developed by Receiving Party without access to, or use of, Disclosing Party's Confidential Information. In addition, Receiving Party shall be allowed to disclose Confidential Information of Disclosing Party to the extent that such disclosure is (a) approved in writing by Disclosing Party, (b) necessary for Receiving Party to enforce its rights under this Master Agreement, Schedules, Exhibits and Change Order Request Forms in connection with a legal proceeding; or (c) required by law or by the order of a court or similar judicial or administrative body, provided that, to the extent it is legally permitted to do so, Receiving Party notifies Disclosing Party of such required disclosure promptly and in writing and cooperates with Disclosing Party at Disclosing Party's reasonable request and expense in any lawful action to contest or limit the scope of such required disclosure.

5.0 INTELLECTUAL PROPERTY RIGHTS

5.1 Exclusive Property. Merchant acknowledges that the Confidential Information of ACI, as well as all related trademarks, logos, other names or markings identifying the Confidential Information, and other Intellectual Property Rights of ACI, are and shall remain the exclusive property of ACI, whether or not protected under applicable intellectual or property laws. Without limiting the generality of the preceding sentence, Merchant shall not acquire any Intellectual Property Rights in or to any software, documentation, or work processes of ACI.

5.2 Ownership. ACI and/or its licensors shall own all Intellectual Property Rights in the ACI services used by Merchant and its customers (including the APIs, all related materials). If, by operation of law, Merchant is deemed to possess any rights in such items, then Merchant hereby assigns such Intellectual Property Rights to ACI or its licensors. To the extent Merchant's rights are inalienable under applicable law, Merchant hereby waives such rights and, if such waiver is deemed invalid, grants to ACI, its licensors and their designees the exclusive, irrevocable, perpetual, worldwide, royalty free right to use, market, modify and grant licenses to such items without identifying Merchant or seeking Merchant's consent. Merchant agrees not to take any action that interferes with said Intellectual Proprietary Rights of ACI or attempt to copyright or patent any portion of ACI's property or register or attempt to register any trademark, service mark, trade name, or company name which is identical or confusingly similar to said marks, names, or markings.

6. Compliance with Export Controls. Merchant will not export, re-export, divert, transfer, or disclose, directly or indirectly, or allow the use of, any ACI services or documentation, or any direct product thereof in violation of applicable United States export control requirements. The obligations of this Section 6 will survive termination of the Agreement.

7. Assignment. Merchant may not assign, pledge or otherwise transfer (whether by operation of law, acquisition or sale of stock or assets, merger, consolidation, transfer of control or otherwise) this Agreement or any rights or obligations under this Agreement so far as it relate to ACI, to any competitor of ACI without the prior written consent of ACI. Any attempt to assign the Agreement Schedule other than as permitted above shall be void.

8. Third Party Beneficiary to the Agreement. ACI is a direct and intended third party beneficiary to the Agreement between BlueSnap and Merchant, and may enforce its rights directly against Merchant without objection based on lack

of privity or any similar claim.
